

Experiencing WGPS

Our Woodgrovian Experience

Our Primary 2 Woodgrovians enjoyed a vibrant start to the year. During Orientation, they were eagerly engaging in iGROW activities designed to spark curiosity and strengthen friendships. They proudly practised their lively level cheer, fostering unity and school spirit. The excitement continued with our festive Chinese New Year celebrations, featuring a captivating concert and a lively charades game that was both spirited and thoughtfully designed to weave together the themes of Chinese New Year and Total Defence Week, as we joyfully welcomed the Year of the Horse. These enriching experiences deepened their connections and made learning at Woodgrove Primary truly enjoyable and meaningful!
