TERM 2 WOODGROVIAN EXPERIENCES

In Term 2, our vibrant P4 Woodgrovians had a truly enjoyable time participating in a diverse array of engaging activities. They wholeheartedly embraced the spirit of compassion and friendship by packing essential items for migrant workers on International Friendship Day. Their creativity and festive spirits shone through as they beautifully decorated their classroom to celebrate Hari Raya. Moreover, through the iGROW curriculum, they eagerly delved deeper into the realms of iG³RACE values and leadership, fostering personal growth and development.
