EXPERIENCING WGPS

OUR WOODGROVIAN EXPERIENCE

The first day of school started in high spirits as our students celebrated WGPS's milestone 25th birthday together. Each student got to enjoy a slice of cake together with their classmates and to top it off, each family also received one of commemorative Woodgrovian bears – Sparkle and Shine! The P4 students engaged in a series of fun activities during orientation in the first week of school. In addition, our students had a blast during the Chinese New Year (CNY) celebrations in February as they ushered in the year of the dragon in school!
