

Experiencing WGPS

Term 2 Woodgrovian Experience

In Term 2, the P6 Woodgrovian Experience was filled with meaningful learning and memorable moments that supported students' growth and development. During A² Star Day, students practised gratitude towards the school community by crafting beautiful card bouquets to express their appreciation. They also commemorated International Friendship Day by creating colourful friendship bands to be gifted to the Singapore Children's Society, demonstrating compassion for the wider community. The term concluded on a high note with P6 Camp HOPE, where students explored Science and Mathematics concepts through engaging AR activities, strengthened their resilience and teamwork during the PE Challenge, deepened class camaraderie, and enjoyed ice cream together while bonding with their classmates, creating lasting memories and meaningful friendships.
