Term 2 Woodgroviaan Experiences (P3)

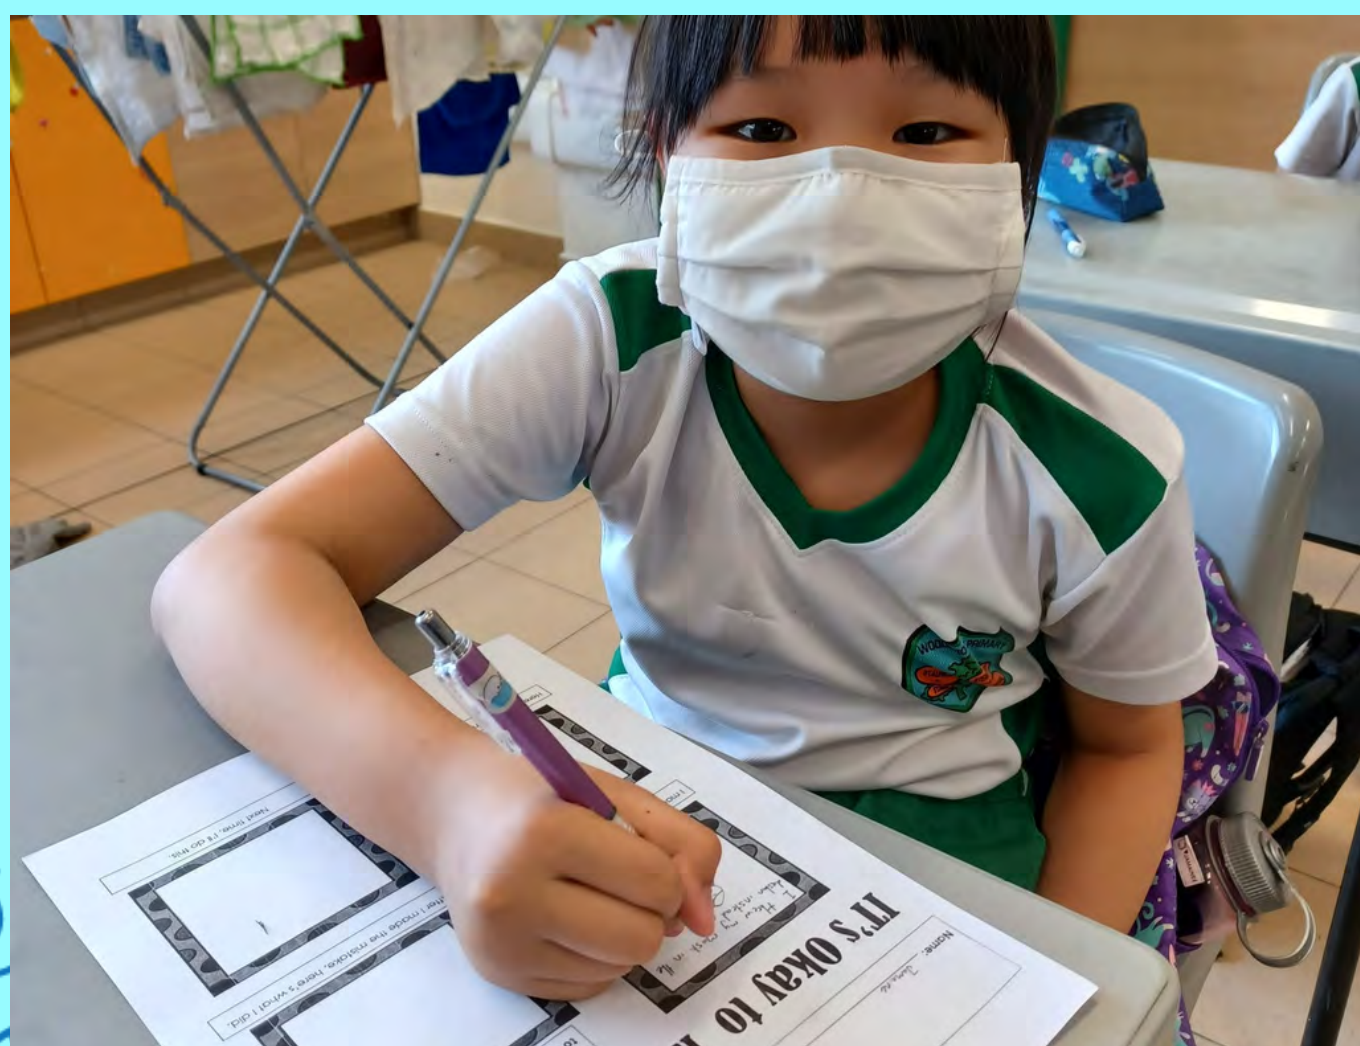

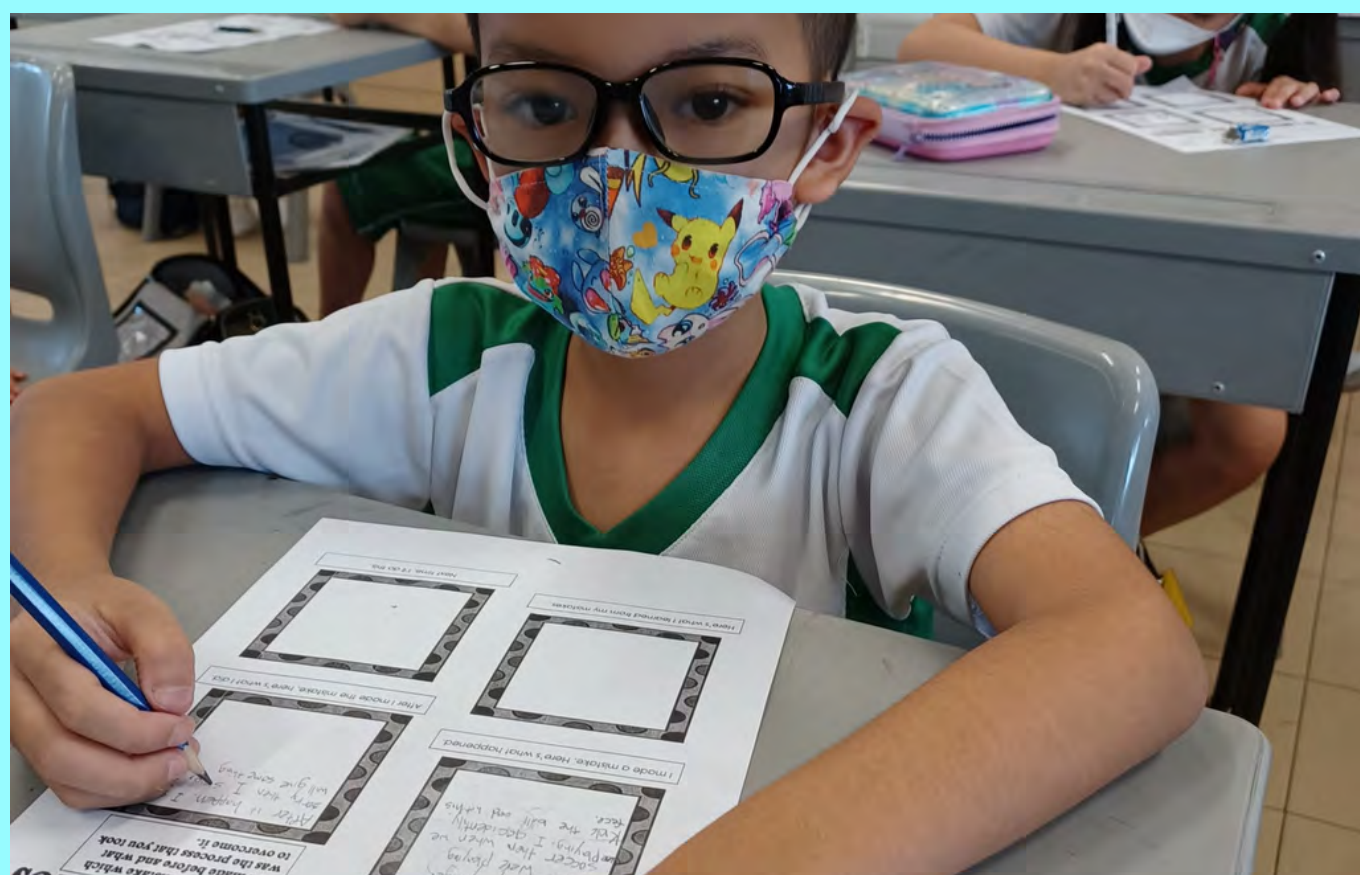

Term 2 activities provided our P3 Woodgroviaans a fun and enjoyable time with their classmates. Activities such as packing essential items for the migrant workers during International Friendship Day, making a collage during Hari Raya celebration and not forgetting our Growth Mindset programme where students learnt how to take steps to ensure growth and positive thinking. Our P3 Woodgroviaans also received colourful wristbands bearing different Growth Mindset motivational quotes from our Principal, Mrs Ng. There is definitely a lot of learning gained through various activities and programmes. Let's start Term 3 on a high note!
