

EXPERIENCING WGPS

OUR WOODGROVIAN EXPERIENCE

Our Primary 4 Woodgrovians enjoyed Term 1 as it was filled with joyful celebrations, enriching learning experiences, and unforgettable moments. Orientation programmes, thoughtfully designed with our iGROW curriculum, warmly welcomed new students, helping them forge friendships and embrace the vibrant Woodgrovian spirit. The Chinese New Year festivities brought energy and excitement to the school, featuring colourful performances and traditional activities that deepened cultural understanding and appreciation. Learning remained at the heart of all activities, as students explored the importance of resilience and unity during engaging Total Defence lessons. These meaningful experiences laid a strong foundation for every Woodgrovian to continue to learn, grow, and shine throughout the year!
