CELEBRATING THE WOODGROVIAN EXPERIENCE

The Primary 1 Woodgrovians had an unforgettable experience during their inaugural Children's Day Carnival. The day was filled with excitement as they eagerly participated in a variety of sports, arts and craft and games booths. They also enjoyed a delightful ice cream treat, which provided a perfect opportunity to bond with their classmates. Additionally, during the "Celebrating Our Grands" activity, they expressed heartfelt gratitude to their elderly family members. It was a truly enriching Term 4 for our young learners, and they can look forward to even more exciting activities in 2025!
