

Experiencing WGF

Our Woodgrovian Experience

Term 1 was an enriching and dynamic start for our Primary 3 Woodgrovians. Through the iGROW curriculum, they transitioned smoothly into their new classroom learning environment, while forging strong friendships and growing in confidence. The festive spirit of Chinese New Year further enriched their journey, offering immersive cultural experiences and lively performances in the classroom. Learning was also made more engaging as students used Talk Moves to express their ideas, listen actively, and build on one another's thoughts. With these meaningful experiences, our Primary 3 students are well on their way to becoming confident and thoughtful learners in the Woodgrovian experience.
