

EXPERIENCING WGPS

OUR WOODGROVIAN EXPERIENCE

Our Primary 2 Woodgrovians enjoyed a vibrant start to the year during Orientation, eagerly participating in engaging iGROW activities designed to spark curiosity and strengthen friendships. They proudly practised their lively level cheer, fostering unity and school spirit. The excitement continued with our festive Chinese New Year celebrations, featuring a captivating concert, a creative colouring activity, and a spirited game of charades to joyfully welcome the Year of the Snake. These enriching experiences deepened their connections and made learning at Woodgrove Primary truly enjoyable and meaningful!
