

# Experiencing WGPS

## Our Woodgroviaan Experience

Our Primary 4 Woodgroviaans enjoyed Term 1 as it was filled with joyful celebrations, enriching learning experiences, and unforgettable moments. Orientation programmes, thoughtfully designed with our iGROW curriculum, warmly welcomed the new year, helping them to strengthen friendships and embrace the vibrant Woodgroviaan spirit. The Chinese New Year festivities brought energy and excitement to the school, featuring colourful performances and traditional activities that deepened cultural understanding and appreciation. At the heart of our activities was a strong commitment to learning, as students engaged in fun yet thoughtful Total Defence lessons that deepened their understanding of resilience and unity. These meaningful experiences laid a stronger foundation for every Woodgroviaan to continue to learn, grow, and shine throughout the year!
