## LEARNING FESTIVAL

The Primary 5 Woodgrovians kicked off Term 3 with a vibrant 3-day Learning Festival, packed with engaging activities. These included a Virtual Learning Journey to China, where they explored Chinese culture by crafting traditional house models and savoring delicious popiahs. They also visited Superbowl Jurong for a bowling session, applying their mathematical knowledge in real-world situations. This experience aimed to strengthen class spirit, discipline, ownership, and teamwork, while also fostering resilience and a growth mindset, encouraging students to persevere and strive for continuous improvement.
