

EXPERIENCING WIGPS

TERM 2 WOODGROVIAN EXPERIENCE

In Term 2, our Primary 2 Woodgrovians engaged in a diverse range of enjoyable activities. They wholeheartedly embraced the spirit of compassion and friendship by creating friendship bracelets as part of the International Friendship Day Commemoration. Our Woodgrovians were also delighted to receive notebooks for attaining the next achievement tier through the accumulation of points for their level, strengthening their self-motivation. Additionally, our Woodgrovians had the opportunity to learn the choreography for an upbeat rendition of the school song and showcase their dance moves, which they thoroughly enjoyed.
