EXPERIENCING WGPS

OUR WOODGROVIAN EXPERIENCE

The Primary 5 Woodgrovians started the year with an exciting outdoor adventure camp at MOE Changi Coast Adventure Centre. They enjoyed new experiences beyond their comfort zone, such as abseiling, kayaking and caving, acquiring new skills and attitudes. Throughout, they exhibited courage, resilience and adaptability in overcoming challenges and obstacles together. By the end of this camp, our Woodgrovians were seen living up to the iGR^{3}ACE values and learning to appreciate diversity among themselves.
