

EXPERIENCING WGPS

LEARNING FESTIVAL

The Primary 4 Woodgrovians returned to school to three days filled with exciting activities organised as part of the Learning Festival. Our Woodgrovians started off the Learning Festival by designing and writing Growth Mindset quotes on wooden planes for them to take home as a reminder of the theme for this year 'Courage to SOAR'. They also get to go on a learning journey to Snow City, attended virtual learning journey to explore the Arts Museum and "Cha-Ching" programme where Woodgrovians get to learn about the importance of financial prudence and responsibility.
