

Experiencing WGP8 LEARNING FESTIVAL

In Term 3, our Primary 3 Woodgrovians returned to school and immersed themselves in a variety of engaging activities during the Learning Festival. This year's theme, "SOAR towards Our Dreams," motivates all Woodgrovians to adopt a growth mindset and pursue their goals with resilience. To promote interdisciplinary learning, P3 Woodgrovians ventured to Hindhede Park, where they put their knowledge and skills from different subjects to the test in an exhilarating race challenge. In addition, the students visited the Woodlands Regional Library to view an art exhibition by the North 5 cluster schools, as well as to delve into the world of books, further nurturing their love for reading. Meanwhile, the Sports Enrichment Programme offered them a chance to explore archery. Through these diverse experiences, our Woodgrovians not only broadened their horizons but build meaningful bonds with their teachers and classmates in fun and meaningful ways.
