

Experiencing WGPS

Our Woodgrovian Experience

Our Primary 1 Woodgrovians had an exciting start to their learning in Term 1. During Orientation, they were joyfully engaging in lively icebreaker activities that fostered new friendships. Through thoughtfully planned iGROW experiences like the "I'm Wonderful Kit," they discovered their unique strengths and bonded with peers. They also enthusiastically embraced the school dance, adding to the memorable fun. The excitement carried on with vibrant Chinese New Year celebrations, featuring an entertaining concert, a delightful colouring activity, and an engaging game of charades, joyfully ushering in the Year of the Horse. These enriching moments made learning at Woodgrove Primary both meaningful and enjoyable!
