

EXPERIENCING WGPS

LEARNING FESTIVAL

The Primary 6 Woodgrovians returned to school in term 3 to a learning journey to the beautiful Sungei Buloh Wetland Reserve, in alignment to the Science topic on "Diversity", to appreciate the diverse flora and fauna. They also visited the Asian Civilisations Museum as part of their Social Studies lessons, guided and facilitated by specially trained museum educators using various artefacts in the museums, to reinforce their learning of the heritage and culture of Singapore beyond the classroom.
