Primary 6

Term 1, 2024

EXPERIENCING WGPS

OUR WOODGROVIAN EXPERIENCE

At the start of Term 1, our P6 Woodgrovians embarked on an educational expedition to the Asian Civilisation Museum. Here, they got to appreciate a repository of artefacts and artworks that narrate Singapore's history as a global trading hub. Additionally, at the conclusion of Term 1, they took part in a 2-day Camp H.O.P.E. (Harnessing Our Positive Experiences) Part 1. During the camp, they gained insights into motivational and study methods, engaged in Augmented Reality games, and participated in a physical education challenge. To encourage our P6 Woodgrovians, they received personalized cards from their Form Teachers.
