CAMP H.O.P.E (Harvesting Our Positive Experiences) Part II

To enhance their confidence and growth mindset, our P6 Woodgrovians enjoyed a three-day Camp H.O.P.E. Part 2 (I am a Superkid!), which provided a rich platform for learning various skills and knowledge. The enjoyable interclass segment deepened class bonding and strengthened their interpersonal skills. Most significantly, this camp allowed our P6 Woodgrovians to express heartfelt appreciation towards their parents, teachers, and classmates, fostering a culture of gratitude and mutual support.
