

Experiencing WGPS

Term 2 Woodgrovian Experience

This term, our Primary 1 Woodgrovians enjoyed several engaging and meaningful activities. As part of A*Star Day, they wrote thoughtful notes to the non-teaching staff for their contributions to the school. During Library Week, they completed their Bingo Cards and personalised their bookmarks. They also took part in the monthly birthday celebrations and worked together to create the Kindness Wall in their classrooms. A memorable highlight was Shine Day, where our Woodgrovians had lots of fun and proudly showcased their performance and their level cheer to their parents and peers. Overall, this term was truly rewarding for our Primary 1 Woodgrovians.
