Principal's Note

Dear Parents/Guardians,

This month is dedicated to celebrating all our children. During our Children's Day celebration, we stressed that every child matters and has a place in our community. As part of our "children-for-children" initiative, our Primary 2 Lasallians recently had the chance to step into the role of big brothers and sisters as they hosted a group of K2 preschoolers from four preschools. This Values-in-Action (VIA) experience gave our young Lasallians a meaningful platform to contribute to our community while helping to prepare the preschoolers for their upcoming primary school journey. Our P2 Lasallians embraced their roles as mentors and guides as they showed the preschoolers around the school and shared stories about their favourite school activities. We are truly proud of their effort to welcome and host their little buddies.

On this note, we would like to wish all our Lasallians and their siblings a Happy Children's Day!

Semper Fidelis,

Cheryl Choo
Principal

2. School Closure due to PSLE Marking and Results Processing Day

Please note that school will be closed from 12 to 14 October 2026 due to the PSLE Marking Exercise and on Results Processing Day on Tuesday, 10 November 2026.

3. Deepavali School Celebrations

School will be celebrating Deepavali, the festival of Lights, on **Monday, 2 November 2026**. As part of the celebration, Lasallians can look forward to a meaningful and enjoyable day filled with performances and interactive recess activities. Through these experiences, students will have the opportunity to learn more about the significance, customs and traditions associated with Deepavali.

To add to the celebratory mood for the occasion, Lasallians are encouraged to wear traditional ethnic costumes for the day. Alternatively, Lasallians can continue to wear their school uniform/PE attire on that day. All Lasallians are required to wear school shoes.

4. Encouraging Good Study Habits

As we enter the final school term of the academic year, our Lasallians will be stepping up their learning and preparing for the end-of-year examinations. We would like to encourage all Lasallians to cultivate good study habits and practices during this period, and we hope that parents/guardians will partner with us in reinforcing these at home.

We invite you to work together with your child/ward to set a study schedule that balances focused revision with sufficient breaks and rest. Alongside this, do remember to carve out time for bonding and recreational activities, as these go a long way in keeping your child/ward refreshed and motivated. Ensuring that your child/ward gets enough sleep each night and managing their screen time to allow adequate rest for their eyes are also important habits to maintain during this busy period.

It would also be helpful to encourage your child/ward to jot down any questions they may have during their revision, so that they can bring these to their teachers for clarification when in school. Lastly, do create a safe and open space for your child/ward to share their

feelings and experiences as they navigate their examination preparations. A listening ear and words of encouragement from you can make all the difference as they put in their best effort in the weeks ahead.

5. Year-End School Holiday Travel Advisory & Declaration

School requires parents/guardians to make a travel declaration for your child/ward only if he/she intends to travel for the year-end school holidays.

To make a travel declaration for your child/ward via Parents' Gateway (PG), go to [SERVICE > DECLARE TRAVELS]. Please declare your child/ward's travel plan(s), indicating both the country and city of travel, and any city of transit, by **Friday, 30 October 2026**. Only one parent is required to declare.

If your child/ward is not travelling during the year-end holidays, no action is required on your side.
