

Building Metacognitive Ability in the EL Classroom

to listen to the podcast

Podcast Series on Windows on Expertise: (Episode 3) Metacognition and Its Place in our English Language Classrooms

What are the characteristics of EL classrooms that emphasise metacognition? What is the teacher's role in building metacognitive awareness?

Listen to Dr Sally Ann Jones (NIE), Renee Yuanna Sulaiman and Andre Wong discuss with Cedric Leong practical strategies for fostering a culture of metacognition in EL teaching, learning and assessment.

Podcast Series on Windows on Expertise: (Episode 4) Metacognition – Beyond Reflection at the End of English Language Lessons

Prof Christine Goh (NIE), Margaret Teo and Colin Sim discuss with Cedric Leong how metacognitive processing can be encouraged and made audible and visible in the EL classroom.

Learn about practical approaches, including the use of EdTech and AI, for building students' metacognitive ability as they perform language tasks in the various areas of language learning.
