There are also faint, larger star shapes in the background.

## The Theme

“Majulah Singapura” marks 60 years of our journey as one people. More than a call for progress, it celebrates the strength found in our shared values. Together, we reflect on our past and look forward with courage and unity, determined to shape a future that continues to lift us all.

## The Logo

This year’s logo captures the essence of who we are. Diverse, resilient, and always moving forward together. It features a creative fusion of “60” and “GO” to serve as a rallying call for Singaporeans to move forward together, embodying the spirit of Majulah Singapura.

At its core, five shooting stars are arranged in an upward arrow formation, representing our nation’s ideals of democracy, peace, progress, justice, and equality. Overall, the logo is a tribute to Singapore’s remarkable journey over the past 60 years, and a reflection of the unity and aspirations that will carry us into the future.

# 25 STORIES, 1 LOGO

In a first-of-its-kind initiative, 25 Singaporeans, from artists to athletes, educators to entrepreneurs reimagined the NDP 25 logo through their own stories. From childhood memories and family traditions, to reflections on belonging, purpose, and identity. Through them, we celebrate the many faces of Singapore, and the collective dream we share. ## MESSAGE FROM

### COORDINATING MINISTER FOR PUBLIC SERVICES & MINISTER FOR DEFENCE

This year, we celebrate **SG60**. As we come together at the Padang, where we held our first National Day Parade, we celebrate our nation-building journey and reflect on the shared values that have united us and helped defy the odds of history.

Singapore's journey to 60 years of independence was never assured. As a small and young nation, we faced many challenges. It was the resolve of generations of Singaporeans to safeguard our home and ensure future generations can do even better that has brought us to where we are today.

New challenges will continue to confront us in this volatile world fraught with uncertainties. This year's National Day Parade theme "Majulah Singapura" is apt as it rallies us to build our collective future together. When we continue to stand together as one, we will not just survive, but thrive as we confidently stride towards SG100.

May you find this year's Parade both meaningful and inspiring – a reminder of how far we have come, and a call to move forward, together.

## Majulah Singapura!

Coordinating Minister for Public Services &  
Minister for Defence

# PRE-PARADE

## PRE-PARADE

We start our milestone SG60 NDP with a bang!

Directed by Benjamin Kheng, the Go-Live music video showcases an original song by him that flows into a live performance at the Padang, to get everyone in the festive mood.

The inaugural Jump of Unity follows the opening performance. The Jump features the Singapore Armed Forces (SAF) Red Lions and the Republic of Singapore Navy's naval divers, as they majestically descend upon the Padang and Marina Bay respectively.

The pre-parade culminates with “Our Singapore Wish”, where heartfelt aspirations are shared alongside a stirring performance by the Combined Schools Band, The TENG Ensemble and Noemie.

# PARADE & CEREMONY

**OUR PRECISION, OUR PURPOSE**

## OUR PRECISION, OUR PURPOSE

The parade opens with a dazzling Military Tattoo, featuring the Singapore Armed Forces (SAF) Band, Singapore Police Force (SPF) Band, and talented student performers. This dynamic showcase sets the tone for the evening's festivities with energy and patriotic flair.

Next, the Guard of Honour and Colours Party will march in with ceremonial splendour, featuring the Singapore Civil Defence Force (SCDF) in the Guard of Honour for the first time. Making their debut as a full contingent at NDP 2025, the SAF Volunteer Corps (SAFVC) will also be on parade. The SAFVC will be marching alongside the mainstays of our uniformed organisations - SAF, SPF and SCDF contingents.

NDP 2025 marks the largest assembly of marching contingents in NDP's history, showcasing an unprecedented display of strength and solidarity. The GOH and uniformed groups are joined by 10 youth uniformed group contingents and 18 contingents from the social and economic sectors, reflecting the strength and diversity of Singapore.

Among the key highlights are the arrivals of the President and the Prime Minister, the majestic State Flag flypast, the electrifying "Feu De Joie" rifle salute, and the thunderous 21-Gun Presidential Gun Salute - fired afloat the bay near Merlion Park and Esplanade.

Throughout the segment, the SAF Band will perform a stirring repertoire of well-loved national tunes, uniting Singaporeans in a display of national spirit.

# MOBILE COLUMN

**OUR STRENGTH, OUR  
PEOPLE, OUR FUTURE**

A photograph of a public event, likely a parade or exhibition. In the foreground, a white Singapore Police car with orange and blue stripes and the word 'POLICE' on the side is parked. A police officer in a dark uniform and cap stands next to it. Behind the car is a large red fire truck with 'HAZMAT MITIGATION RESPONSE' written on its side. The background shows a large crowd of people seated in bleachers, and a building with classical columns is visible. The text 'DRIVEN BY UNITY, POWERED BY STRENGTH' is overlaid in a white box at the top.

# DRIVEN BY UNITY, POWERED BY STRENGTH

Returning to the NDP since 2019, the Mobile Column is back in the Padang Show Centre, presenting a spectacular combined sail-past and drive-past of assets from the Maritime and Port Authority of Singapore, Singapore Armed Forces, and Home Team.

This year's segment also debuts an integrated aerial flypast over the Padang and a maritime display at the Bay.

## SHOW CONCEPT

Our SG60 Show draws inspiration from our National Anthem – **Majulah Singapura**.

Through four Acts representing **People, Aspirations, Unity, and Progress**, the show reflects our collective journey and hopes for the future, and celebrates the strength, dreams, and unity of Singaporeans.

For the first time, the show unfolds across both the Padang and Marina Bay, creating an immersive, synchronised experience of light, sound and movement.

Designed to be engaging and uplifting, the show invites all Singaporeans to reflect, celebrate, and move **onward together**.

## SHOW ACT 1

# OUR PEOPLE, OUR DIVERSITY

“Our People, Our Diversity” honours Singapore’s historical roots and evolving identities, portraying how our differences have come together to shape a shared future.

The performance, featuring modern tunes as well as a nostalgic nod to “Singapore Cowboy”, also showcases the wide range of influences that connect generations. It culminates in a powerful visual as performers form the word “**PEOPLE**” – to underscore that we move forward as one united people, to write our collective story together.

Artistes: Charlie Lim, Kit Chan, Ramli Sarip, Shye, Pallavi, Tosh Zhang, ABANGSAPAU, Riduan, Din Safari, Addy Rasidi, Mohamed Noor, Mohamed Raffee, Mohamad Bashir, Yung Raja, Zadon, Tay Kewei, Li Churen, Lynnette Seah, Tabitha Nausar, Dave Tan, Desmond Goh, Lim William Jr., Ee Anzhi & Jeremy Wong, and Music & Drama Company

Show Partners: Performers from Republic Polytechnic, Martial House

SHOW ACT 2

## OUR FUTURE, OUR ASPIRATIONS

“Our Future, Our Aspirations” invites Singaporeans to reflect on their personal hopes - the “I” in our collective story. The segment opens with a film introducing five individuals and the aspirations they carry, along with the challenges they face.

Set against a starry backdrop, the segment features soulful performances by choirs and dancers to “I Will Walk With You” and “Room at the Table”. Large - scale river floats glide across the Bay, while puppetry inspired by artwork from Persons with Disabilities (PWDs) bring a deeply personal touch to the Padang.

As the performances build to a moving climax, dynamic building projections light up the skyline and a Pixmob moment fills the Padang with light - symbolising how individual dreams can rise and shine together, illuminating the path to our shared future.

Artistes: **Linying, Heema Izzati**

Show Partners: **Performers from SOKA Gakkai Singapore, Maya Dance Theatre, and the Combined Choir (featuring Greendale Secondary School, Voices of Singapore and Pathlight School)**

SHOW ACT 3

## OUR RESILIENCE, OUR SPIRIT

“Our Resilience, Our Spirit” celebrates the strength we draw from our families, communities, and the pioneers who came before us. It is a powerful reminder that with unity and support, *We Will Get There*, and that in every challenge, we are *Not Alone*.

At the heart of the performance, a rising helium balloon symbolises Singapore’s collective strength and ability to rise above challenges.

Subsequently, cascading fabric - representing the threads of our community - flows through the audience and performers, embodying the spirit that binds us as one people. The fabric strips come together in various formations that provide a visual tribute to the resilience and enduring spirit that carry Singapore forward, together.

Artistes: Dick Lee, Benjamin Kheng, Rahimah Rahim, Music & Drama Company

Show Partners: Performers from People's Association

## SHOW ACT 4

# OUR STRENGTH, OUR UNITY

“Our Strength, Our Unity”  
celebrates the enduring spirit  
of togetherness that binds us as  
one people.

The performance builds towards a rousing and heartfelt finale, as voices across the nation join in a mass sing-along of “Home” – a timeless classic that continues to inspire pride, belonging, and love for Singapore.

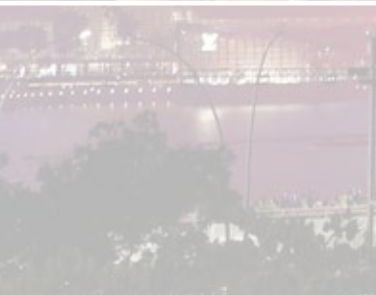

**Artistes:** Jai Kishen, Addy Rasidi, Dave Tan (Electrico), Kit Chan

**Show Partners:** Performers from MOE, ITE, STNY Brothers, SMU Samba Masala, MINDS Taiko Drums, and Extra•Ordinary People

# FINALE

We end the night with a breathtaking cascade of fireworks, set to the tune of familiar Singaporean melodies - a vibrant tribute to the people of Singapore.

This year, Singaporeans across the nation and abroad will also come together for the Majulah Moment - a collective recitation of the Pledge and singing of the National Anthem, cued by the SCDF's Public Warning System. This moment will resonate across the island and beyond, as one voice, one people.

Produced by Charlie Lim, Chok Kerong & Sydney Tan

Threads of a tapestry  
A house full of love  
Every voice is a story  
Waiting to unfold  
To be seen, heard and known  
Our differences will make us whole

(Chorus)

Here we are  
We're in this together  
Our spirit's forever  
Look how far we have come  
Here we are  
No matter the weather  
Through the storms and changes  
Wave your flag in the sun  
Here we are  
Through the fire  
We can live our hopes and dreams  
Here we are  
This is what home means to me

Do you remember  
When we sailed through the  
seasons of change  
Our journey's not over  
I'm so glad you're my neighbour  
We'll look to each other  
As we face the unknown  
Just know you're never on your own

Here we are  
We're in this together  
Our spirit's forever  
Look how far we have come

Here we are  
No matter the weather  
Through the storms and changes  
Wave your flag in the sun  
Here we are  
Through the fire  
We can live our hopes and dreams  
Here we are  
This is what home means to me  
Wave your flag in the sun  
Look how far we have come  
Living our hopes and dreams  
This is what home means to me

(Chorus)  
Here we are  
We're in this together  
Our spirit's forever  
Look how far we have come  
Here we are

No matter the weather  
Through the storms and changes  
Wave your flag in the sun  
Here we are  
Through the fire  
We can live our hopes and dreams  
Here we are  
This is what home means to me

Here we are  
This is what home means to me

Wave your flag in the sun  
Look how far we have come  
This is what home means to me

# NOT ALONE

Music & Lyrics by Benjamin Kheng & Evan Low

Executive Producer: Bang Wenfu

Music Producers: Benjamin Kheng & Evan Low

Mix & Master: Charlie Kurata

Atmos Mix: Mandric Tan (Music & Drama Company)

Performed by Benjamin Kheng ft. MDC Singers & Lisa Haryono

How do I reach for the skies  
If I'm feeling low,  
Don't know where to go  
How do I stand when it's time  
When spirits are high  
And flags are flying

But then I come to the river  
That runs through my town  
Where our fathers and mothers  
have watered the ground  
And the roads I have walked  
And the faces I know  
Oh I know, I know

(Chorus)  
If we just look to each other  
Then this house will feel like home  
And the more we're together the  
further we'll go  
You and I we're Not alone

How do I know I belong?

We'll find love for  
Every creed and colour  
If we lean on one another

How will I ever get there?  
All I know is

You and me do better  
When we run together

Then I come to the river  
And fears start to fade  
My brothers and sisters  
We journey the same  
And I know, I know

(Chorus)  
Just one ripple in a river  
Can be the one to turn the tide  
When the water rises  
I'll be right by your side

And if they ask of my home  
When I'm miles apart  
I'll think of the people  
I hold in my heart  
The family I've found  
And the faces I know  
Oh I know, I know

(Chorus)

# HOME

Performer: Kit Chan  
Composer/Author: Dick Lee  
Executive Producer: Kit Chan

Whenever I am feeling low  
I look around me and I know  
There's a place that will stay within me  
Wherever I may choose to go

I will always recall the city  
Know every street and shore  
Sail down the river which brings us life  
Winding through my Singapore

(Chorus)

This is home, truly  
Where I know I must be  
Where my dreams wait for me  
Where that river always flows

This is home, surely  
As my senses tell me  
This is where I won't be alone  
For this is where I know it's home

When there are troubles to go through  
We'll find a way to start anew  
There is comfort in the knowledge  
That home's about its people too

So we'll build our dreams together  
Just like we've done before  
Just like the river which brings us life  
There'll always be Singapore

(Chorus) x 2

For this is where I know it's home  
For this is where I know I'm home

# MAKIN' OUR WAY

NDP 25 OPENING MUSICAL FILM

Sun is up and the town's awake  
Wait to rush and rush to wait  
They say "nothin' to do so,  
just shake leg"  
But I'm makin' my way,  
makin' my way

They say everyone's got  
a part to play  
Big big smiles, when we  
get to the bay  
I feel the heat, but  
I'm movin' my feet  
I'm makin' my way, makin' my way

All our fears we'll dance away  
We're gonna be okay

Brand new day and  
I'm makin' my way  
Down by the strait  
I'm shakin' my leg  
Shakin' it high  
Shakin' it low  
Off to the bay we go go go  
Today's the day we get a parade  
We're walking with you and shakin'  
our leg  
Shakin' it high  
Shakin' it low  
Makin' our way we go go go

The sun's been shinin' for 60 years  
60 rounds of sweat and tears  
I feel the heat but I'm still here  
Makin' my way makin' my way

The road is long but the journey's  
sweet  
It only works if we move our feet  
I'm with you and you're with me  
Makin' our way makin' our way

As we take a little trip around  
Singapore town  
We've grown a little higher, and  
deepened the ground  
But the family I've found, they're still  
around, and we're  
Makin' our way (on our way)

All our fears we'll dance away  
We're gonna be okay

Brand new day and I'm makin' my way  
No matter what happens I'm shakin'  
my leg  
Shakin' it high  
Shakin' it low  
Off to the bay I go go go

Today's the day we get a parade  
We're walking with you and  
shakin' our leg  
Shakin' it high  
Shakin' it low  
Makin' our way we go go go

# WE ARE SINGAPORE

There was a time when people said  
that Singapore won't make it,  
but we did

There was a time when troubles  
seemed too much  
for us to take, but we did  
We built a nation, strong and free  
Reaching out together  
For peace and harmony

(Chorus)

This is my country, this is my flag  
This is my future, this is my life  
This is my family, these are my friends  
We are Singapore, Singaporeans  
Singapore our homeland, it's here that  
we belong  
All of us united, one people  
marching on  
We've come so far together, our  
common destiny  
Singapore forever, a nation  
strong and free (X2)

We the citizens of Singapore  
Pledge ourselves as one united  
people

Regardless of race, language or  
religion  
To build a democratic society  
Based on justice and equality  
So as to achieve happiness  
Prosperity and progress for our  
nation

(Chorus)

We are Singapore,  
we are Singapore  
We will stand together,  
hear the lion roar  
We are Singapore,  
we are Singapore  
We're a nation strong  
and free forevermore

# 细水长流 (XI SHUI CHANG LIU)

年少时候 谁没有梦  
无意之中 你将心愿透漏  
就在你生日的时候 我将小小口琴送  
最难忘记 你的笑容

友情的细水慢慢流  
流进了你我的心中  
曾在球场边为你欢呼 你跌伤我背负  
夜里流星飞渡 想象著他日的路途  
晚风听著我们壮志无数

年少时候 谁没有愁  
满腔愤慨 唯有你能听得懂  
每当我失意的时候  
你将那首歌吹奏  
琴声悠悠 解我轻忧

岁月的细水慢慢流  
流到了别离的时候  
轻拍你的肩 听我说朋友不要太惆怅  
霓虹纵然再嚣张 我们的步履有方向  
成败不论切莫将昔日遗忘

多年以後 又再相逢  
我们都有了疲倦的笑容  
问一声我的朋友 何时再为我吹奏  
是否依旧 是否依旧

人生的际遇千百种  
但有知心常相重  
人愿长久 水愿长流

# 麻雀街竹枝

我们这里是哪里？  
Where are we from?

我们这里是新加坡  
Where we're from is Singapore

我们这里是哪里？  
Where are we from?

我们这里是新加坡  
Where we're from is Singapore

从一无所有到今日璀璨  
We rose from the bottom to achieve  
today's shining success

从那条渔村到这繁华街巷  
From fishing fillages to flourishing,  
bustling streets

Jurong to Changi 一小时就够  
Jurong to Changi takes an hour

这里是哪里？ We want you to know  
Where are we from?  
We want you to know

在咖啡店，来个踢球一杯 yeah  
Chillin' at the coffeeshop  
with a cup of Milo

Sippin' on nostalgia, 回忆里飞 yeah  
Sippin' on nostalgia that takes me  
on a stroll down memory lane

路边小摊成了高楼映着晚霞  
Our roadside stalls of days  
past are now skyscrapers  
that glisten in the sunset

Hear the lion roar 狮城故事传遍天下  
Hear the lion roar as the  
Lion City story spreads  
across the globe

饮水思源 珍惜一切  
As we soar, we stay rooted &  
cherish all that we have

家不是个地方而是一种感觉  
Home is not a place.  
Instead, it's a feeling

From the heartlands,  
ain't no place like home

这里是哪里？ We want you to know  
Where are we from?  
We want you to know

我们这里是新加坡  
我们都曾一无所有过  
现在拥有的不算什么  
但是比别人珍惜得多  
我们这里是新加坡  
我表兄金山回来啰  
小小麻雀担竹枝  
都系担番屋企好得多

# JINKLI NONA

Something that we both know  
Like a familiar hello  
In our streets and in our homes  
It's something that we both know  
In our streets and in our homes  
It's something that we all know  
Does this remind you of a song?  
Here's a little something to sing along

(Chorus)

*Jinkli nona, jinkli nona*  
*Yo kereh kazah*  
*Kaza nunteng porta nona*  
*Klai logu pasah?*

*Teng kantu teng*  
*Kantu teng falah nunteng*

*Amor, minya amor*  
*Amor minya kosarang*

Fair maiden  
I want to marry you  
Your house has no door  
How can I enter?

You've got what you've got  
However much you have, you say  
you've nothing  
Amor, my love  
My love, my heart

# SINGAPORE COWBOY

I was born half a world  
from Nashville, Tennessee  
Where all year long  
the summer breezes blow  
And while my friends are flying kites  
and planting bonsai trees  
I got high on country radio

(Chorus)

Singapore cowboy, so far from my home  
Bright stars and guitars but none of my own  
Singapore cowboy, where do I belong?  
Won't you sing a poor cowboy,  
another lonely song

# WHAT DO YOU SEE

There's a jewel on the ocean,  
a gem upon the sea  
Where the future is an open book  
A land of destiny  
We could set our sights into the wind  
and sail the seven seas  
or climb the highest mountain top as  
long as we believe  
What do you see? What do you see?

(Chorus)  
See the moon and the stars, look how  
far we have come  
Look around at our faces, they shine  
brightly in the sun  
With our hopes and dreams, imagine  
what tomorrow it may bring  
What do you see?

The time has come to reach out,  
To open up and see  
We stand together in this land  
Cos we are family  
As thoughts of reaching to the sky are  
carried on a dream  
With hearts and minds united, our  
dreams we will achieve  
What do you see? What do you see?

(Chorus)  
See the moon and the stars, look  
how far we have come  
Look around at our faces, they shine  
brightly in the sun  
With our hopes and dreams, imagine  
what tomorrow it may bring  
What do you see?

What do you see when life makes  
you take on a mountain  
You'll see that nothing's gonna stand  
in our way  
Together we can share  
The strength of a million  
And the courage of a million more

(Chorus)  
See the moon and the stars, look  
how far we have come  
Look around at the faces, they shine  
brightly in the sun  
With our hopes and dreams, imagine  
what tomorrow it may bring  
Cos the sky's the only limit when  
you're not afraid to dream  
What do you see? What do you see..

# I WILL WALK WITH YOU

Glow like a fire, the longer the  
brighter we shine  
Home is an island I know I can  
always call mine

Though I don't know where the  
door may lead to  
After all the things that we have  
been through  
All I know is I will walk with you

(Chorus)  
I will walk with you (x4)  
Though I don't know where the  
door may lead to  
I will walk with you

Through it all, the skies  
are getting clearer  
I believe in you now more than ever  
Towards somewhere new  
I will walk with you

(Chorus)  
I will walk with you (x4)  
Though I don't know where the  
door may lead to  
I will walk with you

# ROOM AT THE TABLE

How many times  
Have you heard them say:  
“The future is uncertain  
And everything must change”

But all of my worries  
And all of my fears  
Begin to lose their weight  
When I hold you near

If all that we are  
Is what we believe  
Then I know I gotta be  
The change I wanna see

How easy we forget  
That everything takes time  
No, nothing's ever perfect  
But I still call you mine

Through all the years  
Every lesson learned  
When each word can't  
be a blessing  
To listen is to love

Can we afford to be kinder  
To others and ourselves?  
There's always room at the table  
And water from the well

(Chorus)  
And I know  
A house doesn't make a home  
May the stories that bind us  
Give new strength for us to hope  
I'll be living for the day  
Where our differences  
make us whole

# WE WILL GET THERE

Remember the days,  
We set out together with faith?  
Remember the times, so fine  
When we thought that nothing  
could stand in our way?

Then things weren't the same  
The life that we knew had to change  
We've struggled through  
the darkest storms  
We thought we couldn't tame

Together we've tried  
As we stood side by side  
I knew we'd build a new world  
A world of hope forever after

(Chorus)  
Deep in my heart, I just know  
Right from the start, we will grow  
Look where we are  
We've come so far,  
There's still a long, long way to go

With all of my heart, I will care  
I'll play my part, I will share  
With family and friends, together  
we'll stand  
And in the end, hand in hand,  
We will get there

So now we begin  
Working together to win  
Believing in trust  
It must be possible to  
overcome anything

There's so much to do  
There's so much we can contribute  
By sharing just a little love,  
We'll start again anew

So why don't we try  
If we stand side by side?  
I know we'll build a new world  
A world of hope forever after

(Chorus)  
Deep in my heart, I just know  
Right from the start, we will grow  
Look where we are  
We've come so far,  
There's still a long, long way to go

With all of my heart, I will care  
I'll play my part, I will share  
With family and friends,  
together we'll stand  
And in the end, hand in hand,  
We will get there

We will get there

# THE ROAD AHEAD

One man on an island  
One drop in the sea  
All it takes to set a wave in motion

Is a single word, an action  
A hope that we can be  
The change that we've been  
longing to see

For our home, our land, our family  
It's all within our reach

(Chorus)  
See this island, every grain of sand  
Hear this anthem, it's the voices of  
our friends  
Come whatever on the road ahead  
We did it before,  
and we'll do it again

When the moments turn to hours  
And the day's last light is gone  
Look around us always and  
remember

There were times we were uncertain  
But we just kept walking on  
It's always darkest just before dawn

Our home, the home we share  
Where the garden always grows  
toward the light  
Though the road ahead is daunting,  
I know we're gonna be alright

(Chorus)  
See this island, every grain of sand  
Hear this anthem, it's the voices of  
our friends  
Come whatever on the road ahead  
we did it before, and we'll do it again

# STAND UP FOR SINGAPORE

Stand up for Singapore  
Do the best you can  
Reach out for your fellow man  
You've got to make a stand  
Recognise you can play your part  
Let it come right from your heart  
Be prepared to give a little more  
Stand up, stand up for Singapore.

Stand up for Singapore  
Do it with a smile  
If you stand up for Singapore  
You'll find it all worthwhile  
Believe in yourself  
You've got something to share;  
So show us all you really care  
Be prepared to give a little more  
Stand up, stand up for Singapore

Singapore our home and nation  
Together with determination  
Join in like we've never done before  
Stand up, stand up for Singapore,  
Stand up, stand up for Singapore,  
Stand up, stand up for Singapore.

# WE ARE SINGAPORE

There was a time when people said  
that Singapore won't make it,  
but we did

There was a time when troubles  
seemed too much  
for us to take, but we did  
We built a nation, strong and free  
Reaching out together  
For peace and harmony

(Chorus)

This is my country, this is my flag  
This is my future, this is my life  
This is my family, these are my friends  
We are Singapore, Singaporeans  
Singapore our homeland, it's here that  
we belong  
All of us united, one people  
marching on  
We've come so far together, our  
common destiny  
Singapore forever, a nation  
strong and free (X2)

We the citizens of Singapore  
Pledge ourselves as one united  
people

Regardless of race, language or  
religion  
To build a democratic society  
Based on justice and equality  
So as to achieve happiness  
Prosperity and progress for our  
nation

(Chorus)

We are Singapore,  
we are Singapore  
We will stand together,  
hear the lion roar  
We are Singapore,  
we are Singapore  
We're a nation strong  
and free forevermore

We are Singapore, Singaporeans  
(X2)

# WHERE I BELONG

Morning comes around and I  
Can't wait to see my sunny island  
In its glorious greenery  
Whether rain or shine,  
it's still beautiful  
Bright lights shine on the  
streets at night  
Guiding me closer to home  
To a place where I'll be safe  
and warm  
Where I belong  
Friends and families by my side  
Seeing me through  
as I grow and learn  
Everyday's experience  
Bitter, sweet or sour,  
they are still wonderful

As they become precious memories  
They'll be kept close to my heart  
And no matter where I am I will  
always know

Where I belong  
Where I belong  
Where I keep my heart and soul  
Where dreams come true for us  
Where we walk together hand in hand  
Towards a future so bright  
Where I belong  
Where I keep my heart and soul  
Where we are one big family  
I want the whole world to know  
I want to shout it out loud  
That this is where I know I belong

# ONE PEOPLE, ONE NATION, ONE SINGAPORE

We've built a nation with our hands  
the toil of people from a dozen lands  
Strangers when we first began,  
Now we're singaporean  
Let's reach out for Singapore,  
join our hands forevermore

(Chorus)

One people, one nation,  
One Singapore  
That's the way that we will be  
forevermore  
Every creed and every race,  
has its role and has its place  
One people, one nation,  
One Singapore

And when the time comes for the test  
Our vigilance will never rest  
We'll be united, hand in hand  
We'll show the world just where we stand  
And reach out for Singapore,  
join our hands forevermore (X2)

One people, one nation,  
One Singapore

# COUNT ON ME SINGAPORE

We have a vision for tomorrow,  
just believe, just believe  
We have a goal for Singapore,  
we can achieve, we can achieve  
You and me, we'll do our part,  
stand together, heart to heart  
we're going to show the world  
what Singapore can be  
We can achieve, we can achieve

There is something down the road  
that we can strive for  
We are told no dream's too bold  
that we can't try for  
There's a spirit in the air,  
it's a feeling we all share  
We're going to build a better life,  
for you and me  
We can achieve, we can achieve

Count on me Singapore, count on me  
to give my best and more  
You and me, we'll do our part,  
stand together, heart to heart  
We're going to show the world  
what Singapore can be  
We can achieve, we can achieve

(Chorus)

Count on me Singapore,  
count on me Singapore  
Count on me to give my best and  
more, count on me Singapore

Together Singapore Singapore (X2)
