MAJULAH SINGAPURA

NDP 2025
SHOW GUIDE

9 August 2025

The Theme

“Majulah Singapura” marks 60 years of our journey as one people. More than a call for progress, it celebrates the strength found in our shared values. Together, we reflect on our past and look forward with courage and unity, determined to shape a future that continues to lift us all.

The Logo

This year’s logo captures the essence of who we are. Diverse, resilient, and always moving forward together. It features a creative fusion of “60” and “GO” to serve as a rallying call for Singaporeans to move forward together, embodying the spirit of Majulah Singapura.

At its core, five shooting stars are arranged in an upward arrow formation, representing our nation’s ideals of democracy, peace, progress, justice, and equality. Overall, the logo is a tribute to Singapore’s remarkable journey over the past 60 years, and a reflection of the unity and aspirations that will carry us into the future.

25 STORIES, 1 LOGO

In a first-of-its-kind initiative, 25 Singaporeans, from artists to athletes, educators to entrepreneurs reimagined the NDP 25 logo through their own stories. From childhood memories and family traditions, to reflections on belonging, purpose, and identity. Through them, we celebrate the many faces of Singapore, and the collective dream we share. Read their stories here by scanning the QR code.

MESSAGE FROM

THE PRESIDENT

Singapore's 60th National Day is a momentous occasion.

We have built a peaceful, multiracial home, that we cherish in our hearts.

Majulah Singapura, our theme for this 60th anniversary, reflects how we must continue moving forward as one people. Treating every member of the community with respect. Standing by one another. And contributing as a nation to a better world.

Majulah Singapura!

Mr Tharman Shanmugaratnam
President
Republic of Singapore

MESSAGE FROM

THE PRIME MINISTER

This year's National Day Parade holds special meaning for all Singaporeans, as we mark 60 years of independence. SG60 is more than a milestone. It is a reminder of how far we have come, and what we can achieve together.

60 years ago, few believed Singapore could make it. But we stood united, persevered through adversity, and proved the doubters wrong. We emerged stronger from every challenge - not because the journey was easy, but because we believed in ourselves and placed our trust in one another.

The theme of this year's Parade, **Majulah Singapura**, is both a celebration and a call to action: to keep moving forward together, as one people and one nation, toward a brighter future.

SG60 is a time to honour the resolve that brought us here, and the will to keep striving for something greater than ourselves. It is a moment to reflect on what it means to be Singaporean, and renew our sense of purpose for the road ahead.

Together, we will press on - to shape a future where every voice counts, every person matters, and each generation continues to uplift the next.

Happy National Day and Majulah Singapura!

Mr Lawrence Wong
Prime Minister and Minister for Finance
Republic of Singapore

PRE-PARADE

PRE-PARADE

We start our milestone SG60 NDP with a bang!

Directed by Benjamin Kheng, the Go-Live music video showcases an original song by him that flows into a live performance at the Padang, to get everyone in the festive mood.

The inaugural Jump of Unity follows the opening performance. The Jump features the Singapore Armed Forces (SAF) Red Lions and the Republic of Singapore Navy's naval divers, as they majestically descend upon the Padang and Marina Bay respectively.

The pre-parade culminates with “Our Singapore Wish”, where heartfelt aspirations are shared alongside a stirring performance by the Combined Schools Band, The TENG Ensemble and Noemie.

PARADE & CEREMONY

OUR PRECISION, OUR PURPOSE

OUR PRECISION, OUR PURPOSE

The parade opens with a dazzling Military Tattoo, featuring the Singapore Armed Forces (SAF) Band, Singapore Police Force (SPF) Band, and talented student performers. This dynamic showcase sets the tone for the evening's festivities with energy and patriotic flair.

Next, the Guard of Honour and Colours Party will march in with ceremonial splendour, featuring the Singapore Civil Defence Force (SCDF) in the Guard of Honour for the first time. Making their debut as a full contingent at NDP 2025, the SAF Volunteer Corps (SAFVC) will also be on parade. The SAFVC will be marching alongside the mainstays of our uniformed organisations - SAF, SPF and SCDF contingents.

NDP 2025 marks the largest assembly of marching contingents in NDP's history, showcasing an unprecedented display of strength and solidarity. The GOH and uniformed groups are joined by 10 youth uniformed group contingents and 18 contingents from the social and economic sectors, reflecting the strength and diversity of Singapore.

Among the key highlights are the arrivals of the President and the Prime Minister, the majestic State Flag flypast, the electrifying "Feu De Joie" rifle salute, and the thunderous 21-Gun Presidential Gun Salute - fired afloat the bay near Merlion Park and Esplanade.

Throughout the segment, the SAF Band will perform a stirring repertoire of well-loved national tunes, uniting Singaporeans in a display of national spirit.

OUR STRENGTH, OUR
PEOPLE, OUR FUTURE

A photograph of a Singapore Police car and a fire truck at night. The police car is white with red and blue stripes and the word 'POLICE' in blue. A police officer in a dark uniform and cap stands next to it. In the background, a red fire truck with 'FIRE' and 'EXTINGUISH' written on it is visible. The scene is illuminated by the vehicles' lights and the ambient light of the event.

DRIVEN BY UNITY, POWERED BY STRENGTH

Returning to the NDP since 2019, the Mobile Column is back in the Padang Show Centre, presenting a spectacular combined sail-past and drive-past of assets from the Maritime and Port Authority of Singapore, Singapore Armed Forces, and Home Team.

This year's segment also debuts an integrated aerial flypast over the Padang and a maritime display at the Bay.

SHOW CONCEPT

Our SG60 Show draws inspiration from our National Anthem – **Majulah Singapura**.

Through four Acts representing **People, Aspirations, Unity, and Progress**, the show reflects our collective journey and hopes for the future, and celebrates the strength, dreams, and unity of Singaporeans.

For the first time, the show unfolds across both the Padang and Marina Bay, creating an immersive, synchronised experience of light, sound and movement.

Designed to be engaging and uplifting, the show invites all Singaporeans to reflect, celebrate, and **move onward together**.

CREATIVE DIRECTOR'S MESSAGE

Our journey in creating the National Day Parade 2025 began early last year. We engaged with Singaporeans from various walks of life to understand their feelings about this milestone 60th National Day – what they believe is worth celebrating, how they define the Singapore Dream in contemporary terms, and their hopes for the future. This process was meaningful not only in shaping the show, but also in deepening our own reflection on our shared identity and purpose as Singaporeans.

With this human-centric approach, we began to assemble the show. It has been a journey of inspiration and collaboration. I am continually inspired by the dedication of everyone involved – from the artists, musicians, filmmakers, choreographers, technicians, and designers on the creative team, to the performers from our show partners, volunteers on the ground, and military personnel who ensure everything runs seamlessly. Bringing NDP 2025 to life has required the collective effort of an entire community of Singaporeans, and we hope the show will resonate with everyone on 9th August.

As we celebrate our nation's 60th National Day, let us remember the bonds that unite us and the spirit that has carried us this far. **Majulah Singapura!**

Boo Junfeng
Creative Director
NDP 2025

A band of five members is performing on a circular stage. From left to right: a keyboardist in a pink jacket, a drummer in a yellow shirt, a female singer in a red jumpsuit, an acoustic guitarist in a white jacket, and a bassist in a blue patterned jacket. The background is dark with many out-of-focus orange and yellow lights. The stage floor is white with some circular patterns.

SHOW ACT 1

OUR PEOPLE, OUR DIVERSITY

“Our People, Our Diversity” honours Singapore’s historical roots and evolving identities, portraying how our differences have come together to shape a shared future.

The performance, featuring modern tunes as well as a nostalgic nod to “Singapore Cowboy”, also showcases the wide range of influences that connect generations. It culminates in a powerful visual as performers form the word “**PEOPLE**” – to underscore that we move forward as one united people, to write our collective story together.

Artistes: Charlie Lim, Kit Chan, Ramli Sarip, Shye, Pallavi, Tosh Zhang, ABANGSAPAU, Riduan, Din Safari, Addy Rasidi, Mohamed Noor, Mohamed Raffee, Mohamad Bashir, Yung Raja, Zadon, Tay Kewei, Li Churen, Lynnette Seah, Tabitha Nausser, Dave Tan, Desmond Goh, Lim William Jr., Ee Anzhi & Jeremy Wong, and Music & Drama Company

Show Partners: Performers from Republic Polytechnic, Martial House

SHOW ACT 2

OUR FUTURE, OUR ASPIRATIONS

“Our Future, Our Aspirations” invites Singaporeans to reflect on their personal hopes - the “I” in our collective story. The segment opens with a film introducing five individuals and the aspirations they carry, along with the challenges they face.

Set against a starry backdrop, the segment features soulful performances by choirs and dancers to “I Will Walk With You” and “Room at the Table”. Large - scale river floats glide across the Bay, while puppetry inspired by artwork from Persons with Disabilities (PWDs) bring a deeply personal touch to the Padang.

As the performances build to a moving climax, dynamic building projections light up the skyline and a Pixmob moment fills the Padang with light - symbolising how individual dreams can rise and shine together, illuminating the path to our shared future.

Artistes: Linying, Heema Izzati

Show Partners: Performers from SOKA Gakkai Singapore, Maya Dance Theatre, and the Combined Choir (featuring Greendale Secondary School, Voices of Singapore and Pathlight School)

SHOW ACT 3

OUR RESILIENCE, OUR SPIRIT

“Our Resilience, Our Spirit” celebrates the strength we draw from our families, communities, and the pioneers who came before us. It is a powerful reminder that with unity and support, *We Will Get There*, and that in every challenge, we are *Not Alone*.

At the heart of the performance, a rising helium balloon symbolises Singapore’s collective strength and ability to rise above challenges.

Subsequently, cascading fabric - representing the threads of our community - flows through the audience and performers, embodying the spirit that binds us as one people. The fabric strips come together in various formations that provide a visual tribute to the resilience and enduring spirit that carry Singapore forward, together.

Artistes: Dick Lee, Benjamin Kheng, Rahimah Rahim, Music & Drama Company

Show Partners: Performers from People's Association

SHOW ACT 4

OUR STRENGTH, OUR UNITY

“Our Strength, Our Unity”
celebrates the enduring spirit
of togetherness that binds us as
one people.

The performance builds towards a rousing and heartfelt finale, as voices across the nation join in a mass sing-along of “Home” – a timeless classic that continues to inspire pride, belonging, and love for Singapore.

Artistes: Jai Kishen, Addy Rasidi, Dave Tan (Electrico), Kit Chan

Show Partners: Performers from MOE, ITE, STNY Brothers, SMU Samba Masala, MINDS Taiko Drums, and Extra•Ordinary People

FINALE

We end the night with a breathtaking cascade of fireworks, set to the tune of familiar Singaporean melodies - a vibrant tribute to the people of Singapore.

This year, Singaporeans across the nation and abroad will also come together for the Majulah Moment - a collective recitation of the Pledge and singing of the National Anthem, cued by the SCDF's Public Warning System. This moment will resonate across the island and beyond, as one voice, one people.

Threads of a tapestry
A house full of love
Every voice is a story
Waiting to unfold
To be seen, heard and known
Our differences will make us whole

(Chorus)

Here we are
We're in this together
Our spirit's forever
Look how far we have come
Here we are
No matter the weather
Through the storms and changes
Wave your flag in the sun
Here we are
Through the fire
We can live our hopes and dreams
Here we are
This is what home means to me

Do you remember
When we sailed through the
seasons of change
Our journey's not over
I'm so glad you're my neighbour
We'll look to each other
As we face the unknown
Just know you're never on your own

Here we are
We're in this together
Our spirit's forever
Look how far we have come

Here we are
No matter the weather
Through the storms and changes
Wave your flag in the sun
Here we are
Through the fire
We can live our hopes and dreams
Here we are
This is what home means to me
Wave your flag in the sun
Look how far we have come
Living our hopes and dreams
This is what home means to me

(Chorus)
Here we are
We're in this together
Our spirit's forever
Look how far we have come
Here we are

No matter the weather
Through the storms and changes
Wave your flag in the sun
Here we are
Through the fire
We can live our hopes and dreams
Here we are
This is what home means to me

Here we are
This is what home means to me

Wave your flag in the sun
Look how far we have come
This is what home means to me

NOT ALONE

Performer: Benjamin Kheng & Rahimah Rahim
Composer/Author: Benjamin Kheng & Evan Low
Executive Producer: Bang Wenfu

How do I reach for the skies
If I'm feeling low,
Don't know where to go
How do I stand when it's time
When spirits are high
And flags are flying

But then I come to the river
That runs through my town
Where our fathers and mothers
have watered the ground
And the roads I have walked
And the faces I know
Oh I know, I know

(Chorus)
If we just look to each other
Then this house will feel like home
And the more we're together the
further we'll go
You and I we're Not alone

How do I know I belong?

We'll find love for
Every creed and colour
If we lean on one another

How will I ever get there?
All I know is

You and me do better
When we run together

Then I come to the river
And fears start to fade
My brothers and sisters
We journey the same
And I know, I know

(Chorus)
Just one ripple in a river
Can be the one to turn the tide
When the water rises
I'll be right by your side

And if they ask of my home
When I'm miles apart
I'll think of the people
I hold in my heart
The family I've found
And the faces I know
Oh I know, I know

(Chorus)

HOME

Performer: Kit Chan
Composer/Author: Dick Lee
Executive Producer: Kit Chan

Whenever I am feeling low
I look around me and I know
There's a place that will stay within me
Wherever I may choose to go

I will always recall the city
Know every street and shore
Sail down the river which brings us life
Winding through my Singapore

(Chorus)

This is home, truly
Where I know I must be
Where my dreams wait for me
Where that river always flows

This is home, surely
As my senses tell me
This is where I won't be alone
For this is where I know it's home

When there are troubles to go through
We'll find a way to start anew
There is comfort in the knowledge
That home's about its people too
So we'll build our dreams together
Just like we've done before
Just like the river which brings us life
There'll always be Singapore

(Chorus) x 2

For this is where I know it's home
For this is where I know I'm home

MAKIN' OUR WAY

NDP 25 OPENING MUSICAL FILM

Sun is up and the town's awake
Wait to rush and rush to wait
They say "nothin' to do so,
just shake leg"
But I'm makin' my way,
makin' my way

They say everyone's got
a part to play
Big big smiles, when we
get to the bay
I feel the heat, but
I'm movin' my feet
I'm makin' my way, makin' my way

All our fears we'll dance away
We're gonna be okay

Brand new day and
I'm makin' my way
Down by the strait
I'm shakin' my leg
Shakin' it high
Shakin' it low
Off to the bay we go go go
Today's the day we get a parade
We're walking with you and shakin'
our leg
Shakin' it high
Shakin' it low
Makin' our way we go go go

The sun's been shinin' for 60 years
60 rounds of sweat and tears
I feel the heat but I'm still here
Makin' my way makin' my way

The road is long but the journey's
sweet
It only works if we move our feet
I'm with you and you're with me
Makin' our way makin' our way

As we take a little trip around
Singapore town
We've grown a little higher, and
deepened the ground
But the family I've found, they're still
around, and we're
Makin' our way (on our way)

All our fears we'll dance away
We're gonna be okay

Brand new day and I'm makin' my way
No matter what happens I'm shakin'
my leg
Shakin' it high
Shakin' it low
Off to the bay I go go go

Today's the day we get a parade
We're walking with you and
shakin' our leg
Shakin' it high
Shakin' it low
Makin' our way we go go go

WE ARE SINGAPORE

There was a time when people said
that Singapore won't make it,
but we did

There was a time when troubles
seemed too much
for us to take, but we did
We built a nation, strong and free
Reaching out together
For peace and harmony

(Chorus)

This is my country, this is my flag
This is my future, this is my life
This is my family, these are my friends
We are Singapore, Singaporeans
Singapore our homeland, it's here that
we belong
All of us united, one people
marching on
We've come so far together, our
common destiny
Singapore forever, a nation
strong and free (X2)

We the citizens of Singapore
Pledge ourselves as one united
people
Regardless of race, language or
religion
To build a democratic society
Based on justice and equality
So as to achieve happiness
Prosperity and progress for our
nation

(Chorus)

We are Singapore,
we are Singapore
We will stand together,
hear the lion roar
We are Singapore,
we are Singapore
We're a nation strong
and free forevermore

We are Singapore, Singaporeans
(X2)

细水长流 (XI SHUI CHANG LIU)

年少时候 谁没有梦
无意之中 你将心愿透漏
就在你生日的时候 我将小小口琴送
最难忘记 你的笑容

友情的细水慢慢流
流进了你我的心中
曾在球场边为你欢呼 你跌伤我背负
夜里流星飞渡 想象著他日的路途
晚风听著我们壮志无数

年少时候 谁没有愁
满腔愤慨 唯有你能听得懂
每当我失意的时候
你将那首歌吹奏
琴声悠悠 解我轻忧

岁月的细水慢慢流
流到了别离的时候
轻拍你的肩 听我说朋友不要太惆怅
霓虹纵然再嚣张 我们的步履有方向
成败不论切莫将昔日遗忘

多年以後 又再相逢
我们都有了疲倦的笑容
问一声我的朋友 何时再为我吹奏
是否依旧 是否依旧

人生的际遇千百种
但有知心常相重
人愿长久 水愿长流
年少时候

麻雀街竹枝

我们这里是哪里？
Where are we from?

我们这里是新加坡
Where we're from is Singapore

我们这里是哪里？
Where are we from?

我们这里是新加坡
Where we're from is Singapore

从一无所有到今日璀璨
We rose from the bottom to achieve
today's shining success

从那条渔村到这繁华街巷
From fishing fillages to flourishing,
bustling streets

Jurong to Changi 一小时就够
Jurong to Changi takes an hour

这里是哪里？ We want you to know
Where are we from?
We want you to know

在咖啡店，来个踢球一杯 yeah
Chillin' at the coffeeshop
with a cup of Milo

Sippin' on nostalgia, 回忆里飞 yeah
Sippin' on nostalgia that takes me
on a stroll down memory lane

路边小摊成了高楼映着晚霞
Our roadside stalls of days
past are now skyscrapers
that glisten in the sunset

Hear the lion roar 狮城故事传遍天下
Hear the lion roar as the
Lion City story spreads
across the globe

饮水思源 珍惜一切
As we soar, we stay rooted &
cherish all that we have

家不是个地方而是一种感觉
Home is not a place.
Instead, it's a feeling

From the heartlands,
ain't no place like home

这里是哪里？ We want you to know
Where are we from?
We want you to know

我们这里是新加坡
我们都曾一无所有过
现在拥有的不算什么
但是比别人珍惜得多
我们这里是新加坡
我表兄金山回来啰
小小麻雀担竹枝
都系担番屋企好得多

JINKLI NONA

Something that we both know
Like a familiar hello
In our streets and in our homes
It's something that we both know
In our streets and in our homes
It's something that we all know
Does this remind you of a song?
Here's a little something to sing along

(Chorus)

Jinkli nona, jinkli nona
Yo kereh kazah
Kaza nunteng porta nona
Klai logu pasah?

Teng kantu teng
Kantu teng falah nunteng

Amor, minya amor
Amor minya kosarang

Fair maiden
I want to marry you
Your house has no door
How can I enter?

You've got what you've got
However much you have, you say
you've nothing
Amor, my love
My love, my heart

SINGAPORE COWBOY

I was born half a world
from Nashville, Tennessee
Where all year long
the summer breezes blow
And while my friends are flying kites
and planting bonsai trees
I got high on country radio

(Chorus)

Singapore cowboy, so far from my home
Bright stars and guitars but none of my own
Singapore cowboy, where do I belong?
Won't you sing a poor cowboy,
another lonely song

WHAT DO YOU SEE

There's a jewel on the ocean,
a gem upon the sea
Where the future is an open book
A land of destiny
We could set our sights into the wind
and sail the seven seas
or climb the highest mountain top as
long as we believe
What do you see? What do you see?

(Chorus)
See the moon and the stars, look how
far we have come
Look around at our faces, they shine
brightly in the sun
With our hopes and dreams, imagine
what tomorrow it may bring
What do you see?

The time has come to reach out,
To open up and see
We stand together in this land
Cos we are family
As thoughts of reaching to the sky are
carried on a dream
With hearts and minds united, our
dreams we will achieve
What do you see? What do you see?

(Chorus)
See the moon and the stars, look
how far we have come
Look around at our faces, they shine
brightly in the sun
With our hopes and dreams, imagine
what tomorrow it may bring
What do you see?

What do you see when life makes
you take on a mountain
You'll see that nothing's gonna stand
in our way
Together we can share
The strength of a million
And the courage of a million more

(Chorus)
See the moon and the stars, look
how far we have come
Look around at the faces, they shine
brightly in the sun
With our hopes and dreams, imagine
what tomorrow it may bring
Cos the sky's the only limit when
you're not afraid to dream
What do you see? What do you see..

I WILL WALK WITH YOU

Glow like a fire, the longer the
brighter we shine
Home is an island I know I can
always call mine

Though I don't know where the
door may lead to
After all the things that we have
been through
All I know is I will walk with you

(Chorus)
I will walk with you (x4)
Though I don't know where the
door may lead to
I will walk with you

Through it all, the skies
are getting clearer
I believe in you now more than ever
Towards somewhere new
I will walk with you

(Chorus)
I will walk with you (x4)
Though I don't know where the
door may lead to
I will walk with you

ROOM AT THE TABLE

How many times
Have you heard them say:
“The future is uncertain
And everything must change”

But all of my worries
And all of my fears
Begin to lose their weight
When I hold you near

If all that we are
Is what we believe
Then I know I gotta be
The change I wanna see

How easy we forget
That everything takes time
No, nothing's ever perfect
But I still call you mine

Through all the years
Every lesson learned
When each word can't
be a blessing
To listen is to love

Can we afford to be kinder
To others and ourselves?
There's always room at the table
And water from the well

(Chorus)
And I know
A house doesn't make a home
May the stories that bind us
Give new strength for us to hope
I'll be living for the day
Where our differences
make us whole

WE WILL GET THERE

Remember the days,
We set out together with faith?
Remember the times, so fine
When we thought that nothing
could stand in our way?

Then things weren't the same
The life that we knew had to change
We've struggled through
the darkest storms
We thought we couldn't tame

Together we've tried
As we stood side by side
I knew we'd build a new world
A world of hope forever after

(Chorus)
Deep in my heart, I just know
Right from the start, we will grow
Look where we are
We've come so far,
There's still a long, long way to go

With all of my heart, I will care
I'll play my part, I will share
With family and friends, together
we'll stand
And in the end, hand in hand,
We will get there

So now we begin
Working together to win
Believing in trust
It must be possible to
overcome anything

There's so much to do
There's so much we can contribute
By sharing just a little love,
We'll start again anew

So why don't we try
If we stand side by side?
I know we'll build a new world
A world of hope forever after

(Chorus)
Deep in my heart, I just know
Right from the start, we will grow
Look where we are
We've come so far,
There's still a long, long way to go

With all of my heart, I will care
I'll play my part, I will share
With family and friends,
together we'll stand
And in the end, hand in hand,
We will get there

We will get there

THE ROAD AHEAD

One man on an island
One drop in the sea
All it takes to set a wave in motion

Is a single word, an action
A hope that we can be
The change that we've been
longing to see

For our home, our land, our family
It's all within our reach

(Chorus)
See this island, every grain of sand
Hear this anthem, it's the voices of
our friends
Come whatever on the road ahead
We did it before,
and we'll do it again

When the moments turn to hours
And the day's last light is gone
Look around us always and
remember

There were times we were uncertain
But we just kept walking on
It's always darkest just before dawn

Our home, the home we share
Where the garden always grows
toward the light
Though the road ahead is daunting,
I know we're gonna be alright

(Chorus)
See this island, every grain of sand
Hear this anthem, it's the voices of
our friends
Come whatever on the road ahead
we did it before, and we'll do it again

STAND UP FOR SINGAPORE

Stand up for Singapore
Do the best you can
Reach out for your fellow man
You've got to make a stand
Recognise you can play your part
Let it come right from your heart
Be prepared to give a little more
Stand up, stand up for Singapore.

Stand up for Singapore
Do it with a smile
If you stand up for Singapore
You'll find it all worthwhile
Believe in yourself
You've got something to share;
So show us all you really care
Be prepared to give a little more
Stand up, stand up for Singapore

Singapore our home and nation
Together with determination
Join in like we've never done before
Stand up, stand up for Singapore,
Stand up, stand up for Singapore,
Stand up, stand up for Singapore.

WE ARE SINGAPORE

There was a time when people said
that Singapore won't make it,
but we did

There was a time when troubles
seemed too much
for us to take, but we did
We built a nation, strong and free
Reaching out together
For peace and harmony

(Chorus)

This is my country, this is my flag
This is my future, this is my life
This is my family, these are my friends
We are Singapore, Singaporeans
Singapore our homeland, it's here that
we belong
All of us united, one people
marching on
We've come so far together, our
common destiny
Singapore forever, a nation
strong and free (X2)

We the citizens of Singapore
Pledge ourselves as one united
people

Regardless of race, language or
religion
To build a democratic society
Based on justice and equality
So as to achieve happiness
Prosperity and progress for our
nation

(Chorus)

We are Singapore,
we are Singapore
We will stand together,
hear the lion roar
We are Singapore,
we are Singapore
We're a nation strong
and free forevermore

We are Singapore, Singaporeans
(X2)

WHERE I BELONG

Morning comes around and I
Can't wait to see my sunny island
In its glorious greenery
Whether rain or shine,
it's still beautiful
Bright lights shine on the
streets at night
Guiding me closer to home
To a place where I'll be safe
and warm
Where I belong
Friends and families by my side
Seeing me through
as I grow and learn
Everyday's experience
Bitter, sweet or sour,
they are still wonderful

As they become precious memories
They'll be kept close to my heart
And no matter where I am I will
always know

Where I belong
Where I belong
Where I keep my heart and soul
Where dreams come true for us
Where we walk together hand in hand
Towards a future so bright
Where I belong
Where I keep my heart and soul
Where we are one big family
I want the whole world to know
I want to shout it out loud
That this is where I know I belong

ONE PEOPLE, ONE NATION, ONE SINGAPORE

We've built a nation with our hands
the toil of people from a dozen lands
Strangers when we first began,
Now we're singaporean
Let's reach out for Singapore,
join our hands forevermore

(Chorus)

One people, one nation,
One Singapore
That's the way that we will be
forevermore
Every creed and every race,
has its role and has its place
One people, one nation,
One Singapore

And when the time comes for the test
Our vigilance will never rest
We'll be united, hand in hand
We'll show the world just where we stand
And reach out for Singapore,
join our hands forevermore (X2)

One people, one nation,
One Singapore

COUNT ON ME SINGAPORE

We have a vision for tomorrow,
just believe, just believe
We have a goal for Singapore,
we can achieve, we can achieve
You and me, we'll do our part,
stand together, heart to heart
we're going to show the world
what Singapore can be
We can achieve, we can achieve

There is something down the road
that we can strive for
We are told no dream's too bold
that we can't try for
There's a spirit in the air,
it's a feeling we all share
We're going to build a better life,
for you and me
We can achieve, we can achieve

Count on me Singapore, count on me
to give my best and more
You and me, we'll do our part,
stand together, heart to heart
We're going to show the world
what Singapore can be
We can achieve, we can achieve

(Chorus)

Count on me Singapore,
count on me Singapore
Count on me to give my best and
more, count on me Singapore

Together Singapore Singapore (X2)
