Shining through the Year

From the Editor's desk

Dear SJCians & Parents/Guardians ,

As we come to the end of 2026, we would like to thank you for your support, encouragement, and partnership throughout the year. To our students — we are so proud of how much you have learnt. To our parents — thank you for walking this journey with us. We appreciate your trust and support . We wish everyone a restful and joyful break, and we look forward to welcoming you back refreshed for a new year in 2027, where the SJC community will continue its journey to learn, grow and shine together.

Graduation Ceremony

Congratulations, Class of 2026! ✨🎉

Friends, family and teachers filled the school hall on 25 September to celebrate the graduation of our Secondary 4 and 5 SJCians.

Mixed emotions with laughter and tears arose during the course of the ceremony as we saw, through a video montage, photos of our graduands from their first days in SJC and witnessed their transformation into confident young ladies. Their teachers and parents also put together special messages and well-wishes to remind the girls of their love and support as our young ladies face new challenges and embrace opportunities in the world outside of SJC. All the best, Class of 2026!

Holding the Light, Cherishing the Moment

Deepavali Celebrations

As part of our school's Deepavali celebrations, SJCians came together to celebrate the Festival of Lights, embracing its message of new beginnings, togetherness, joy and peace. Students learnt about the significance of Deepavali, enjoyed traditional festive treats and showcased their talents through vibrant performances. Dressed in colourful traditional attire, students and staff added to the festive spirit, making the celebration a truly memorable one!

National Day Parade

This year, we were privileged to have about 90 SJCians step forward to be part of the nation's celebrations at the 61st National Day Parade, held at the National Stadium.

Through countless hours of rehearsals, our students not only honed their skills and put in their best efforts, but also forged meaningful friendships, built their confidence and created precious memories that will last a lifetime.

We are immensely proud of every SJCian who played a part in this special National Day celebration. This moment of glory belongs not only to our participants and our school, but also to Singapore, our beloved nation.

National Day @ SJC

SJC's National Day Commemoration began with a meaningful observance ceremony led by our uniformed groups who demonstrated the ideals of unity and discipline with their participation in the national day parade and narration of the stories behind our national symbols. The celebrations culminated in a vibrant concert that brought the school together in joyous celebration of our nation's 61st birthday. As familiar National Day songs filled the hall, staff and students joined their voices as one, creating a memorable atmosphere of pride, gratitude, and unity.

Learning, Growing, Shining

Mission I(aM) Possible Learning Week 2

During Learning Week 2, our girls embarked on "Mission I(aM)Possible" — a journey of discovery and growth. Along the way, they strengthened the 3Cs of curiosity, communication and collaboration while nurturing confidence and a spirit of lifelong learning.

The Public Speaking Workshops for all levels provided opportunities to build confidence and communicate ideas effectively, while the Passion Ignite and VIA Showcase celebrated those who pursued their interests with enthusiasm and those who contributed to the community. Other highlights include the Ford Factory Museum visit for Sec 1 students, who had fun exploring the connections between History, Science and Art. The girls were also excited to learn about another culture through batik painting and a virtual exchange with Indonesian students during the Global Classroom Experience. We are also proud of our Sec 2 girls who showcased their creativity through Digital Drawing enrichment sessions while our Sec 3 students learnt more about their career pathways through ECG Career Exploration activities.

Mission I(aM)Possible was indeed a fitting end to the academic year and served to remind our girls of the importance of continuous learning at present and in the future.

Showing Gratitude, Lighting the Way Forward

Teachers' Day Celebrations

Teachers' Day at CHIJ St. Joseph's Convent was more than a day of celebrations — it was an opportunity to reflect on the moments and people who make our IJ journey meaningful.

From the quiet reflection during our Paraliturgy to the heartfelt stories shared by our Centrestage CCA students, we were reminded of the lasting impact teachers have on our lives and the lessons that extend far beyond the classroom. The celebrations continued with mini class parties, followed by a lively concert organised by our Student Leaders, who brought the SJC community together in a joyful tribute to our teachers.

A day filled with laughter, gratitude and cherished memories — a beautiful reminder of what makes our SJC family so special.

Close of School Year Thanksgiving Mass & Last Day of School

To celebrate the end of the school year, the learning undertaken and the special memories made in 2026, the school came together for our Close of School Year Thanksgiving Mass to reflect on and appreciate the experiences, relationships and opportunities that shaped our lives throughout the year. Celebrant of the Mass, Rev. Fr. Kevin Wee encouraged us to model our lives after Mother Mary and our patron St Joseph as we live out the values of faith, compassion, humility and service to our community.
