

Connects

Dear Parents,

Welcome to our 2nd volume of PATH Connects for 2025! Through this newsletter, we share more of what goes behind the scenes of school life, and the meaningful purpose we find in partnering with Mee Toh School to support our children's journey.

As we reflect on the final school term of 2025, we hope you have enjoyed the events as much as we did! Thank you for your continued support and dedication for PATH. Your energy and dedication make all the difference!

We hope to see more of you in 2026. Do keep a lookout for the upcoming events' details shared on our "MTS PATH Broadcast" Telegram channel. If you are not in our Telegram channel yet, please do not hesitate to reach out to us.

Have a well-deserved restful holiday ahead!

P.S. To our graduating P6 parents, thank you for your support all these years. Stay in touch!

Yours sincerely,
MTS PATH Editorial Team

ACTIVE PLAY!

The daily Active Play sessions in the field has become PATH's signature activity in school. Our children cheer with excitement whenever they spot our PATH members at the field. We are deeply grateful to our members for braving the sun, and ensuring the safety and joy of our children. Thank you for your big hearts and unwavering dedication!

WEEKLY RECYCLING

Crochet Workshop (5 April 2025)

The objective of organising a crochet workshop was to learn a new skill together as a PATH community and kick start our Teachers' Day project. A total of 20 PATH members signed up for the workshop and volunteered in making the crochet pouches for our Teachers' Day gifts! **Special appreciation and acknowledgement to Mdm Foo, who is the grandma of one of our MTS students, for making time to impart valuable crochet knowledge to us!**

After 5 months of hard work, with significant efforts from our members, we finally completed over 200 pouches, handmade with love, ready to be presented to our beloved teachers! This was truly a group effort that would not have been possible without the tremendous support from our members.

National Day (4, 6 and 7 August 2025)

Mee Toh School came alive with excitement as we celebrated Singapore's 60th National Day! 🎉

Our PATH members played an important role in the festivity, helping to run recess activity stations over the three days. Students kicked off the celebration by penning heartfelt well-wishes for Singapore, which were proudly displayed on a giant SG60 outline. With a "passport" in hand, they travelled through five exciting stations — discovering Singapore's past, reliving kampong days with traditional games, and bouncing with joy on our first-ever bouncy castle in school, striking poses at the photo booth and collecting colourful temporary tattoos.

Adding to the buzz, some teachers dressed in costumes from the past, sparking curiosity and lively interactions with the students. From policemen in shorts and the Satay man, to the Kopi-soh and Samsui women, these characters brought history to life in a memorable way. It was a day of fun, learning and national pride — truly a celebration to remember! ❤️

Teachers' Day (4 September 2025)

The celebration of Teachers' Day was filled with touching moments of appreciation. In addition to presenting the beautiful, hand-crocheted pouches as gifts for our teachers, our PATH members and children also expressed their gratitude through a heartfelt video montage and a dance performance to the song "I Just Want to Say Thank You."

Parent-Child Bonding Workshop (1 November 2025)

We hosted our inaugural parent-child bonding workshop in November. It was a delightful and enriching Saturday morning, where parents and children united to craft beautiful art pieces on rocks. Each family had the opportunity to create a theme that speaks about their family. We were thrilled to witness everyone making special memories together. Stay tuned for more workshops like this in the upcoming year!

Deepavali (3 and 4 Nov 2025)

Other Activities :

Thank you PATH members for keeping an eye out for the safety of the children for the following activities :

- Water Ration Day
- NAPFA Run for P6 and P4
- P4 Learning Journey to National Art Gallery & Outdoor Neighbourhood Walk
- P1 & P2 PAL-CCE Learning Journeys
- P6 Swim Safer

REFLECTIONS & SHARING

by

PATH

In this section of PATH Connects, we invite PATH EXCO and members to share about their experiences in PATH or provide some parenting tips!

How has being in PATH helped you to connect with your child?

My involvement in PATH has strengthened the bond with my child. By collaborating with teachers and supporting various school programmes, I gain better insight into the activities and experiences my kids have in school. This understanding helps me to relate to them more easily and creates more opportunities to strike engaging conversations at home. Overall, PATH has enriched our relationship as a family while supporting the school.

What is one thing you have learnt about being in PATH

Volunteering in PATH has shown me that we are not only supporting our own children, but playing a part for all Mee Toh students.

I feel inspired when I see parent volunteers coming together, dedicating their time and effort to create a more meaningful experience for the children.

By giving our time, we also set an example for our children, showing them the importance of contributing to society through volunteering.

Share a quote that has helped in your parenting journey

"Behind every young child who believes in themselves is a parent who believed first."

We are our children's first BFF. Our belief in them serves a strong foundation in telling them that they are fabulous in their own ways.
