Please note that payment of fees is on a quarterly basis.

(A) Fees payment through Interbank GIRO

With effect from 1 January 2020, MGS will be using GIRO for all school fees and miscellaneous fees collection. Fees will be processed automatically through GIRO on the 8th of the month except for Term 1. If the 8th of the month of deduction falls on a weekend or public holiday, the deduction would be made on the following working day. The deduction dates are illustrated as follows:

	Deduction dates
January, February & March 2026 (Term 1) – (applicable for Secondary 1 students)	27 February 2026*
January, February & March 2026 (Term 1) – (applicable for Secondary 2 to 4 students)	3 February 2026*
April, May and June 2026 (Term 2)	8 April 2026
July, August and September 2026 (Term 3)	8 July 2026
October, November and December 2026 (Term 4)	8 October 2026

*subject to change

Please note that this GIRO arrangement is compulsory and is the default mode of payment for your child's/ward's payment for enrichment programme and other school charges.

(B) Fees payment for Term 1 2026:

The Interbank GIRO Application can be submitted vis the eGIRO on the school portal – Ntrix.

1. Please login to MGS Ntrix using your personal email address
2. Click on eGIRO then submit your application.

Please apply for eGIRO by the 16th of Jan 2026. Note that school's fees are deducted quarterly, and the limit set should be at least one quarter of the school fees.

The fees for January, February and March 2026 will be deducted once the bank accepts the GIRO arrangement, tentatively on 27 February 2026. An official invoice will be emailed to you informing you of the deduction date and amount.

Please maintain sufficient funds for deduction on the dates stipulated in the above table. If deduction fails due to insufficient funds, a reminder will be issued to you for a second GIRO deduction. There will be an administrative charge of **$30**, and this continues to be imposed for every reminder sent until payment is received.

Please note that in line with the government's ongoing Smart Nation initiative where achieving a cashless economy is one of the current focus areas, the school has ceased to accept cash for all school charges (i.e. school fees, miscellaneous fees, enrichment programme and others) with effect from 1 July 2020.

(C) Change in Citizenship and Withdrawal from School

In the event where your child/ward acquires Singapore Citizenship or Singapore Permanent Resident status, please write to the class form teacher and School's Finance Office together with a copy of documentation proof, such as NRIC or Passport. Please note that the monthly fees applicable to new Citizenship status will only be effective the following month.

If you are withdrawing your child/ward from school, please write to the principal officially at least one month in advance. Please note that there will be no refund of school and miscellaneous fees once deducted or paid.

(D) Use of Edusave Pupil's Fund to Pay Enrichment Programme charges (applicable to Singaporean Only)

The Edusave Pupil's Fund can be used by your child/ward to pay for enrichment programme charges. Please complete the enclosed Standing Order Form (Appendix 1) and submit it to the form teacher by **Tuesday, 6 January 2026**, so as to provide the school with your consent to deduct your child/ward's Edusave Pupil's Fund.
