Ref No: GO/2026/0205

Dear Parents / Guardians,

MESSAGE BY PRINCIPAL FOR START OF TERM 4 2026

In my previous message, I introduced the school's 2026 Rally Theme of **S.C.H.O.O.L. - Next Level**, whereby S.C.H.O.O.L. stands for Several [Cheerful](#) Hours Of Our Lives, and 'Next Level' encourages students to aim high in their aspirations and actions.

I am pleased to share with you remarkable instances of Yuhuans who have stepped up to the 'Next Level' in Term 3. For the first time in the school's history, we have students who qualified for the YMCA Plain English Speaking Awards Finals. **Ivy Lim Xin Hui** (2-Responsibility) was a **Finalist** in the Lower Secondary Category and **Rowe Asha Widyarani** (3-Contribute) was **Champion** in the Upper Secondary Category. Our **Concert Band achieved Gold** at the Singapore International Band Festival, 'C' Division **Volleyball Girls took 1st Runner Up** after a determined battle in the League 2 Final while our **National Day Challenge raised \$5200** for the President's Challenge, through the 2.4km run times and donations of students, staff and the School Advisory Committee.

On 3 Sep, our staff member Ms Bo Yiiting was presented the 'Listening Educator For Advancement and Progress' Award' by the Minister of Education, Mr Desmond Lee. This is the third consecutive year that a Yuhua educator has been recognised by this national award.

The 'N'-level, 'O'-level examinations and End of Year Examinations for Secondary 1 to 3 would take place in Term 4. During this time, parents can do your part to support your child. Offer your child a conducive study environment at home, affirm his/her efforts when he/she is studying and remind him/her to get sufficient sleep. If your child shows signs of heightened stress, please reach out to the Form Teachers.

1 Nurturing Flourishing Yuhuans Through Student Development

1.1 Values of the Term – Adaptability and Resilience

As we begin the final term of the academic year, we encourage students to demonstrate **adaptability** by making effective use of the additional time from the stand-down of CCAs to refine their study strategies and strengthen their learning. At the same time, they should show **resilience** in facing challenges and sustaining their efforts to complete the year well, both academically and personal growth. We seek your support in reinforcing these values with your child/ward, so that together we can help them finish the year with confidence and purpose.

1.2 Being Prepared for Learning

Please continue to remind your child/ward to be punctual for school. Students should plan their journey well and be in school by 7.25 a.m. on all days, except for Wednesdays when they should reach by 8.20 a.m. This will allow them to be in school 5 minutes before assembly, therefore reaching their reporting venues (e.g. hall or classrooms) in time to prepare well for their learning.

We also seek your support to monitor your child's/ward's attendance closely and ensure he/she does not stay away from school without valid reason. This will ensure students do not miss lessons unnecessarily in the run up to the End-of-Year Exams.

1.3 Graduating Students

a) Making It Count – Final Lap for Our Graduating Cohort

As our graduating students enter the final stretch before their national examinations, we have shared with you the academic support plans we have put in place to help your child/ward finish strong. We seek your partnership in encouraging and supporting your child/ward to attend these sessions, as every lesson counts at this stage. Please refer to the PG letter sent on 3 September for details.

b) Graduation Ceremony

The Graduation Ceremony for Sec 4/5 students will be held on **25 September (Friday)**. This is a significant milestone for our graduating cohort, as we spur them on in this last lap in a ceremony with full graduation gowns and a special farewell from school. We would like to take this opportunity to remind parents/guardians of graduating students who had signed up to join your child/ward in celebrating this milestone. Please refer to the letter sent to parents/guardians of graduating students on 6 August for more information.
