PSG Logo for CCKSS

The logo is called “Wings of Flight”.

Parents from both CCKSS (Green Leaf) & TWSS (Blue Leaf) embrace all students in partnership with the school as their wings take flight towards greater heights.

As a supportive community, we envision our students to develop a caring heart, act with compassion and foster a passion for learning,

The Parent Support Group (PSG) is a great opportunity for us to be closer to our children, understand them better, and help them in their education journey. Our children also benefit when we are more active in their school environment.

They tend to:

- show more positive attitudes
- have better school attendance and complete homework more consistently
- be able to bridge the cultural gap between school and home
- be less anti-social and less prone to behavioral issues

PSG have a big part to play in enriching our children's school life, whether we collaborate with the school for key school programmes or organize parent- centric activities. The activities and programmes that we plan aim to:

Support the child to enrich his/her learning in school

Support the school to strengthen school-based activities

Support the teachers to bring out the best in our children

Support other parents in the parenting journey

HOW DOES PSG CONTRIBUTE TO THE SCHOOL?

TIME

Participate in supporting the delivery of school programmes
E.g. Chaperones for learning journeys, giving presentations on your occupations at ECG fairs etc.

TALENT

THOUGHTS
