

Guides on logging into SLS for students.

Its **recommended** to use MIMS to login to prevent multiple wrong entries from other way that will caused the account to be locked.

A. Go to google chrome on the desktop

B. Search MIMS in chrome and click onto **MIMS Portal**

C. Type in your individual “**MIMS LOGIN DETAILS**”

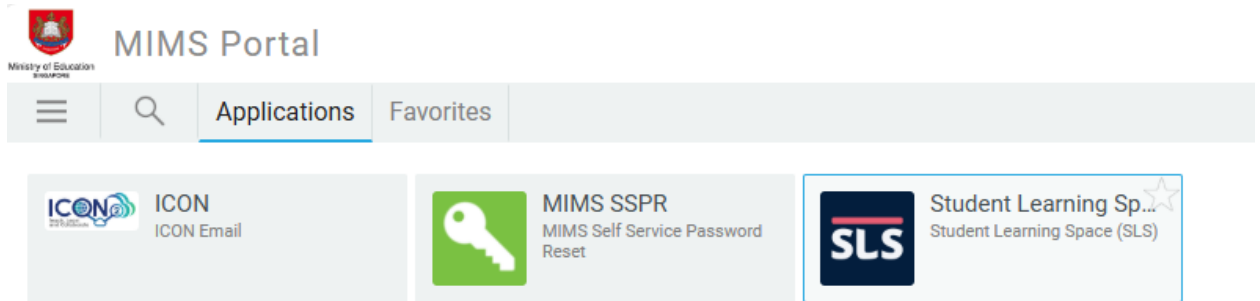

1. **student ID**(without @students.edu.sg) and 2. **Password** and 3. **Student domains**

1. Username 3. @students.edu.sg

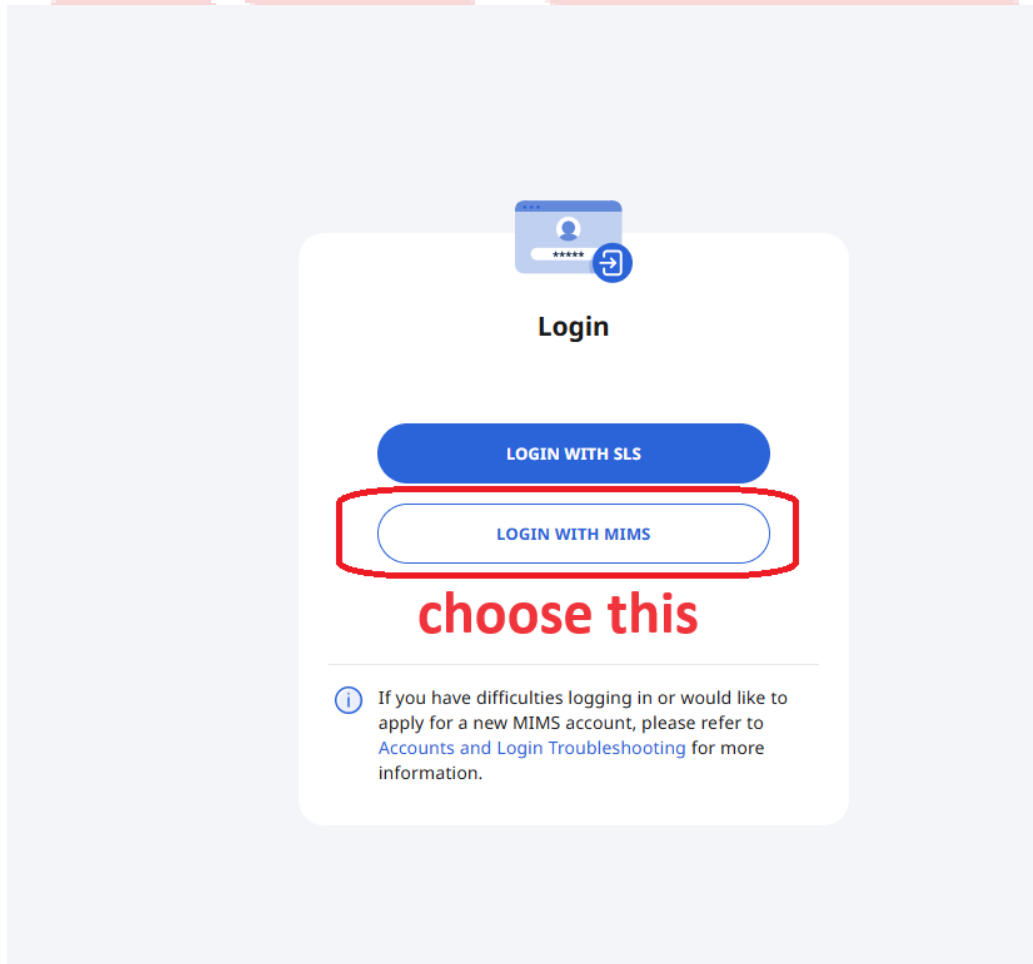

2. Password

[Forgot Password?](#)

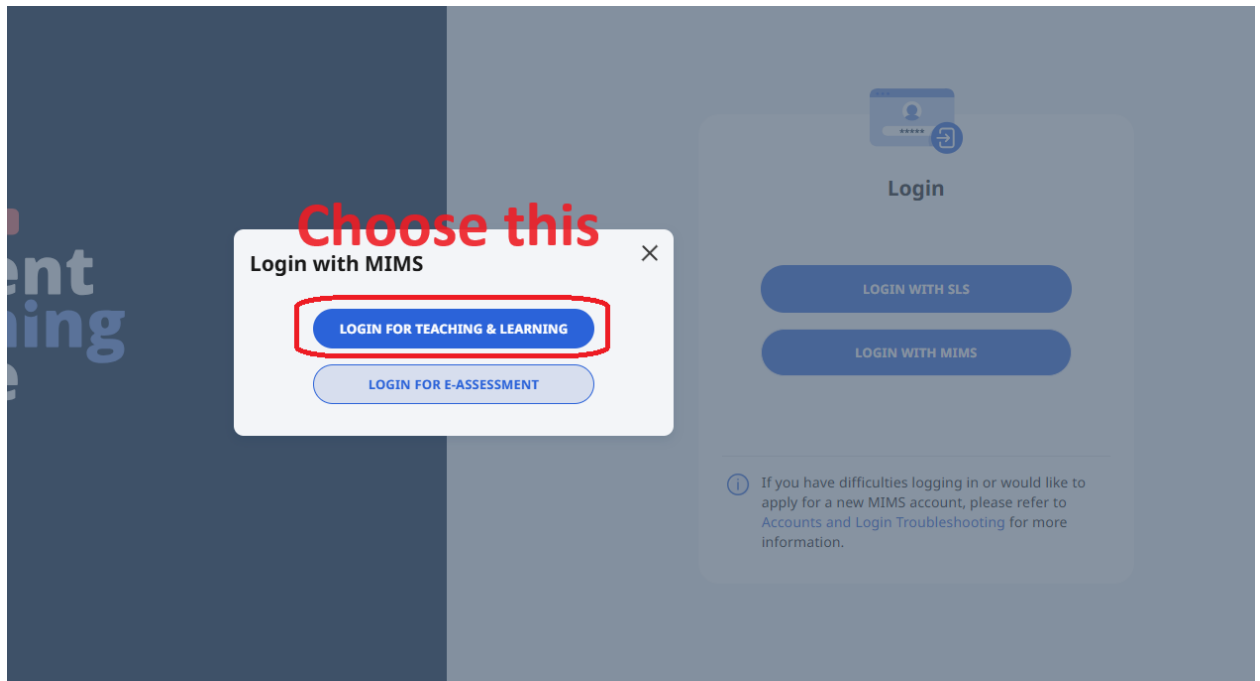

D. Once you login successfully into your account, you will see this and click **SLS Learning Space** to proceed.

E. You will come to this page and click on “Login to MIMS”.

- F. Then choose “**Login for Teaching & Learning**” and you will log into SLS pages directly.

- G. If your student encountered error “**Multiple attempts has been detected on this account**” or “**Account is locked**” Please contact the ICT team and we will unlock the account from our end.
