[1] *The calculator models in the list are in production and easily available for purchase. If there is no application for an extension to the approved period for a calculator model, it will be moved to the list of previously approved calculators upon expiry of the approved period. The onus is on the vendors to submit and apply for an extension of the approved period if their models are still in production and easily available for purchase.*

[2] *All previously approved calculator models, including those that no longer appear on the current approved list, can continue to be used for all national examinations unless there is a change in policy, syllabus or examination format. Under any of these situations, the Singapore Examinations and Assessment Board (SEAB) may withdraw the approval for use of these calculators in the examinations. The schools and the public will be notified in advance if there is any change in policy with regard to the use of any calculator in the national examinations.*
