Come up with a new password and save the password somewhere.

Change Password

Your password has expired. You must set a new password now.

Please change your password. Keep your new password secure. After you type your new password, click the Change Password button. Your new password must meet the following requirements:

- Password is case sensitive
- Must be at least 8 characters long
- The first character cannot be a symbol (non letter or number)
- Must not include part of your name or user name
- Must have at least TWO types of the following characters:
 - a. Uppercase (A-Z)
 - b. Lowercase (a-z)
 - c. Number (0-9)
 - d. Symbol (!, #, \$, etc.)

TIP

Do save the password digitally in a password manager.

You might want to train your child/ward to remember their username and password.

Write their new password in the password slip.

Sometimes students might mistake 1 for i or for l. They might mistake 0 for O. They might mistake Z for 2 or 5 for S.

They might have difficulty typing in the capital letters and symbols.

Type in the new password twice and click 'change password'.
