Making a Difference, One Grocery Bag at a Time!

Displaying our school's TALENT Values

On 4 October, 15 of our Primary 5 pupils joined the Zhenghua Division Good Grocery Truck Initiative at Block 633 Senja Road! Our Best Campers and Scouts Leaders worked alongside organisers to unload, pack and deliver groceries to residents in need. Primary 4 Class Chairpersons and pupils spotlighted for being Empathetic had participated in the previous initiatives in terms 2 and 3.

Their teamwork and dedication truly shone as they lent helping hands (and big hearts!) to make a difference. Undeterred by the hot weather, they stepped forward to serve the community with enthusiasm, compassion, and teamwork.

Our pupils also served as chaperones to the elderly residents.

These dedicated West Viewans definitely demonstrated confident leadership, empathy, and a strong heart to serve. Aside from that, they took the courage and initiative to make a meaningful difference in the wider community.

How are you planning to serve our school and community?
