7 Oct 2026

Dear Parents/Guardian

A Note of Farewell and Gratitude

I am writing to share that with effect from 15 December 2026, I will be taking up a new posting as Principal of Pasir Ris Crest Secondary School and bringing my time at Yishun Secondary School to a close. As I prepare for this transition, I would like to take this opportunity to express my sincere appreciation for the confidence, support and partnership you have extended to the school over the last 8 years.

I am deeply grateful for the trust you have shown in my leadership of the school, and for the many ways in which you have supported the school's programmes, events and initiatives. Whether through your participation in school activities, your encouragement of our students, or your support for the various initiatives we have introduced, your partnership has helped us provide meaningful and quality learning experiences for our students. Your willingness to work with us, to share your views and to stand behind the school during both ordinary days and challenging moments has meant a great deal to me and to my team.

Throughout my time here, we have ensured that education extends beyond academic achievement. Our programmes and initiatives have been guided by our commitment to developing our students holistically, helping them grow in confidence, character and resilience, while equipping them with the skills and values they will need for the future. None of this would have been possible without the strong home-school partnership that you have helped to build. When parents and teachers work hand in hand, our students feel supported and encouraged to do their best, and it is this partnership that has made the difference in their growth.

I would also like to thank our parent volunteers whose generosity of time and spirit has enriched the school experience for so many of our students. Their contributions, together with the encouragement of all our parents, have helped to create a caring and vibrant school community.

As I move on to my new posting, I do so with many fond memories and a deep sense of gratitude. It has been a privilege to serve this school community and to witness the growth of our students over the years. Seeing them develop into capable and caring young people has been the greatest reward of my time here.

I am pleased to share that Mr Wilson Tay Swee Kat (former Vice-principal of Montfort Secondary School) will be taking over as the new Principal of Yishun Secondary School with effect from 15 December 2026. I am confident that he will receive the same warm support that you have given me, and that under his leadership, the school will continue to flourish and build on its strengths.

Thank you once again for your trust, encouragement and steadfast support. I am confident that the strong partnership between the school and our parents will continue to flourish, and that together, you will continue to create the best possible environment for our students to learn, grow and thrive.

I wish you and your families good health and every happiness, and I wish the school community continued success in the years ahead.

Warmest regards
