

HMDP Visiting Experts FY26

OFFICIAL PROGRAMME

Note:
The programme is accurate at the time of publication, and is subject to change at any time without prior notice.

EXPERT NAME

Nando Ferreira

START DATE

07 Oct 2026

END DATE

13 Oct 2026

SPECIALTY/TITLE OF PROGRAMME

Updates in Orthopaedic Limb reconstruction

HOSTING INSTITUTION

Woodlands Hospital

DATE AND DAY	TIME	ACTIVITIES	Training Objectives	NTP* (YES/NO)	VENUE AND CAPACITY	NAME AND EMAIL OF COORDINATOR
7 Oct 2026 AM National University Hospital	0645-0715	Transfer from Hotel to National University Hospital		No		
	0715-0830	Lecture by VE: The use of Internal Lengthening nails and Internal bone transport	To learn from VE, perspective on the use of modern bone transport techniques – Differences and similarities and practice across countries.	Yes	NUHS Tower Block Level 11-01 (50)	Muhammed Yaser hasan Muhammed_yaer_hasan@nuhs.edu.sg
	0830-0900	Questions and Answer Moderator: Chen Yongsheng / Mohd Yaser Hasan		Yes	NUHS Tower Block Level 11-01 (50)	Muhammed Yaser hasan Muhammed_yaer_hasan@nuhs.edu.sg
	0900-1030	Local presentation and case discussion: Difficult limb reconstruction cases	Sharing of local experience and algorithms. Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	Yes	NUHS Tower Block Level 11-01 (50)	Muhammed Yaser hasan Muhammed_yaer_hasan@nuhs.edu.sg
	1030-1100	Hospital Tour and photo taking – National University Hospital	Appreciation of hospital structure and set up in NUH	No		Muhammed Yaser hasan Muhammed_yaer_hasan@nuhs.edu.sg
	1300-1400	Lunch		No		
7 Oct 2026 PM	1400-1500	Admin time / Sight seeing		No		
8 Oct 2026 AM Khoo Teck Puat Hospital	0700-0730	Transfer from Hotel to Khoo Teck Puat Hospital		No		

	0730-0830	<i>Lecture by VE: Updates in the management of bone defects</i>	To learn from VE, perspective on the management of Bone defects from trauma or infection – Differences and similarities in practice across countries.	Yes	<i>Yishun Community Hospital Geri seminar room. Tower E Level 1. (50)</i>	Antony Xavier Rex Premchand Premchand.antony.xr@nhghealth.com.sg
	0830-0900	<i>Questions and Answer Moderator: Antony Rex Xavier Premchand</i>		Yes	<i>Yishun Community Hospital Geri seminar room. Tower E Level 1. (50)</i>	Antony Xavier Rex Premchand Premchand.antony.xr@nhghealth.com.sg
	0900-1030	<i>Local presentation and case discussion: Dealing with bone loss</i>	Sharing of local experience and algorithms. For bone loss Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	Yes	<i>Yishun Community Hospital Hansei 1 Tower E Level 4 YCH learning centre (30)</i>	Antony Xavier Rex Premchand Premchand.antony.xr@nhghealth.com.sg
	1030-1100	<i>Hospital Tour and photo taking – Khoo Teck Puat Hospital</i>	Appreciation of hospital structure and set up in KTPH	No		Antony Xavier Rex Premchand Premchand.antony.xr@nhghealth.com.sg
	1300-1400	<i>Lunch + Transfer to TTSH</i>		No		
8 Oct 2026 PM Tan Tock Seng Hospital	1400-1500	<i>Lecture by VE: Deformity correction in the lower limb – Updates in technique/ technology and application of 3D printing</i>	To learn from VE, perspective on the management of orthopaedic deformities in the adult population and the adoption of Technology including 3D printing – Differences and similarities and practice across countries.	Yes	<i>Ng Teng Fong Centre for Healthcare Innovation (CHI) Meeting Room L9-002 (30) 18 Jalan Tan Tock Seng S 308443</i>	Muhd Farhan bin Mohd Fadil Muhammad.farhan.mohd.fadil@nhghealth.com.sg
	1500-1515	<i>Questions and Answer Moderator: Muhd Farhan</i>		Yes	<i>Ng Teng Fong Centre for Healthcare Innovation (CHI)</i>	Muhd Farhan bin Mohd Fadil Muhammad.farhan.mohd.fadil@nhghealth.com.sg

					Meeting Room L9-002 (30) 18 Jalan Tan Tock Seng S 308443	
	1515-1530	Coffee Break		No		
	1530- 1700	Local presentation: Adult Deformity correction and the use of 3D printing.	Sharing of local experience and algorithms. Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	Yes	Ng Teng Fong Centre for Healthcare Innovation (CHI) (30) Meeting Room L9-002 18 Jalan Tan Tock Seng S 308443	Muhd Farhan bin Mohd Fadil Muhammad.farhan.mohd.fadil@nhghealth.com.sg
	1700-1730	Short tour of Hospital / Photo taking	Appreciation of hospital structure and set up in TTSH	No		Muhd Farhan bin Mohd Fadil Muhammad.farhan.mohd.fadil@nhghealth.com.sg
9 Oct 2026 AM WH	0830	Transfer from Hotel to WH		No		
	0900-1000	History of Singapore Public Healthcare Sector	To share with our VE the public healthcare system in Singapore for insights and sharing	No	Woodlands Hospital Tower D. Lvl 1 Dynamic Room (40)	Daniel Seng Daniel.seng@nhghealth.com.sg
	1000-1100	Public Healthcare financing and value based care	To discuss similarities and differences in healthcare financing models and how it affects public doctors	No	Woodlands Hospital Tower D. Lvl 1 Dynamic Room (40)	Daniel Seng Daniel.seng@nhghealth.com.sg
	1100-1200	Sustainability and reusing of external fixators	Exploration of reusing external fixators – is it safe, does it reduce cost, are the outcomes the same?	No	Woodlands Hospital Tower D. Lvl 1 Dynamic Room (40)	Daniel Seng Daniel.seng@nhghealth.com.sg

		Lunch + Transfer to CGH				
9 Oct 2026 PM Changi General Hospital	1400-1500	Lecture by VE: Orthoplastics lower limb reconstruction in Gustilo 3B and 3C fractures.	To learn from VE, perspective on the management of complex trauma – Differences and similarities and practice across countries.	Yes	Changi General Hospital, Medical Centre, Room 5-6 (40)	Andy Yeo Andy.yeo.k.s@singhealth.com.sg
	1500-1515	Questions and Answer Moderator: Andy Yeo		Yes	Changi General Hospital, Medical Centre, Room 5-6 (40)	Andy Yeo Andy.yeo.k.s@singhealth.com.sg
	1515-1530	Coffee Break		No		
	1530- 1700	Local presentation and case discussion: Complex lower limb Trauma	Sharing of local experience and algorithms. Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	Yes	Changi General Hospital, Medical Centre, Room 5-6 (40)	Andy Yeo Andy.yeo.k.s@singhealth.com.sg
	1700-1730	Short tour of Hospital / Photo taking – Changi General Hospital	Appreciation of hospital structure and set up in CGH	No		Andy Yeo Andy.yeo.k.s@singhealth.com.sg
10 th Oct	Rest					
11 th Oct	Rest					
12 Oct 2026 AM Ng Teng Fong Hospital	0700-0730	Transfer from Hotel to NTFGH Hospital		No		
	0730-0830	Lecture by VE: Modern concepts in non-union management	To learn from VE, perspective on the management of Non-union. Differences and similarities and practice across countries.	Yes	NTFGH Tower B Level 2 Meeting room B-2-6 Department of Orthopaedic Surgery (30)	Chen Yongsheng Yongsheng_chen@nuhs.edu.sg

	0830-0900	Questions and Answer Moderator: Chen Yongsheng / Mohd Yaser Hasan		Yes	NTFGH Tower B Level 2 Meeting room B-2-6 Department of Orthopaedic Surgery (30)	Chen Yongsheng Yongsheng_chen@nuhs.edu.sg
	0900-0930	Coffee Break		No	NTFGH Tower B Level 2 Meeting room B-2-6 Department of Orthopaedic Surgery (30)	
	0930-1100	Local presentation and case discussion on non-union (septic and Aseptic)	Sharing of local experience and algorithms. Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	Yes	NTFGH Tower B Level 2 Meeting room B-2-6 Department of Orthopaedic Surgery (30)	Chen Yongsheng Yongsheng_chen@nuhs.edu.sg
	1100-1130	Hospital Tour and photo taking – Ng Teng Fong Hospital	Appreciation of hospital structure and set up in NTFGH	No	NTFGH Tower B Level 2 Meeting room B-2-6 Department of Orthopaedic Surgery (30)	Chen Yongsheng Yongsheng_chen@nuhs.edu.sg
		Lunch + Transfer to SGH				
12 Oct 2026 PM Singapore General Hospital	1400-1500	Lecture by VE: Deformities in the foot and ankle.	To learn from VE, perspective on the management of complex trauma – Differences and similarities and practice across countries.	Yes	Singapore General Hospital, Ward 75 conference Room (50)	Tay Kae Sian Tay.kae.sian@singhealth.com.sg
	1500-1515	Questions and Answer Moderator: Tay Kae Sian		Yes	Singapore General Hospital, Ward 75 conference Room (50)	Tay Kae Sian Tay.kae.sian@singhealth.com.sg

	1515-1530	Local presentation and case discussion on complex foot and ankle cases		Yes	Singapore General Hospital, Ward 75 conference Room (50)	
	1530- 1700	Hospital Tour and photo taking – Singapore General Hospital	Sharing of local experience and algorithms. Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	No		Tay Kae Sian Tay.kae.sian@singhealth.com.sg
13 Oct 2026 AM /PM Woodlands Hospital	0700-0730	Transfer from Hotel to Woodlands hospital		No		
	0730-0830	Lecture by VE for department and residents: What does an Orthopaedic limb reconstruction surgeon do?	To learn from VE, concept of limb reconstruction for orthopaedic community – tumour, sepsis, reconstrution	Yes	Woodlands Hospital Tower D. Lvl 1 Dynamic Room 1,2,3 (60)	Daniel Seng Daniel.seng@nhghealth.com.sg
	0830-0900	Breakfast/ Campus tour	Appreciation of hospital structure and set up in WH	No		
	0900-1000	Lecture by VE: Bone infections – An update on treatment strategies – Including diabetic foot infections and TTT	To learn from VE, updates in the treatment of bone infections especially diabetic foot infection.	Yes	Woodlands Hospital Tower D. Lvl 1 Dynamic Room 1,2,3 (60)	Daniel Seng Daniel.seng@nhghealth.com.sg
	1000-1030	Local presentation – DFU. Local burden, collaboration model and early results J.Lo	Sharing of local experience and algorithms and context.	Yes	Woodlands Hospital Tower D. Lvl 1 Dynamic Room 1,2,3 (60)	Daniel Seng Daniel.seng@nhghealth.com.sg
	1030-1200	Local case discussion on orthopaedic infection cases and treatment strategies Moderator: Daniel Seng	Sharing of local experience and algorithms on bone infections. Appreciation of differences in practices including strengths and weaknesses and opportunities for growth and synergistic cooperation.	Yes	Woodlands Hospital Tower D. Lvl 1 Dynamic Room 1,2,3 (60)	Daniel Seng Daniel.seng@nhghealth.com.sg

	1200-1300	Diabetic foot unit meeting / Lunch		No	Woodlands Hospital Tower B. B43 Collaboration space (20)	Daniel Seng Daniel.seng@nhghealth.com.sg
	1300-1600	Cadaver workshop in Woodlands Hospital – SSL Interval lengthening devices – support for equipment from Orthofix	For local limb reconstruction surgeons to learn new surgical technique using a lengthening nail.	No	Woodlands Hospital Surgical Skills Lab Basement 3 (30)	Daniel Seng Daniel.seng@nhghealth.com.sg
	1600-1900	Report Writing		No
