Pick your arena, Amplify your impact

The profession faces many challenges, but effective leaders focus on where their **skills, passion, and opportunity can make the greatest impact.**

Your Leadership Application

PLDS highlights **six impact areas** for pharmacists. Your challenge isn't to master them all, but to **focus on one or two** where you can move from participant to game-changer.

Pharmacy Practice

Shape clinical guidelines, drive preventive care

Medication Supply

Strengthen supply resilience, champion sustainability

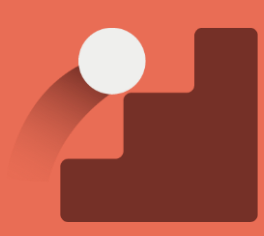

Medication Safety

Prevent errors, build a safety-first culture

Innovation & Transformation

Improve access, personalise services

Workforce Development

Mentor others, foster innovation

Education

Boost health literacy, position pharmacists as experts

Your Leadership Commitment

Commit to one action in 6 months – e.g. initiate a project, mentor someone, fix a process.

Then tell someone to keep you accountable and track how you'll know it worked.

1. **Which area fires me up?**
2. **Pick 1-2 areas and reflect:**
   - **How can I take the first step?**
   - **How do I make a greater impact?**
