

Leadership Dispensary

Stop guessing what you need –
here’s how to know for sure

Many pharmacists take a scattershot approach to leadership. PLDS tailors competency development to your role and career stage, so you build what truly matters.

Where do you sit?

Review the **PLDS Leadership Levels**. Where are you from foundational to exemplary level?

“What leadership activities do I already handle in my day-to-day?”

“Where do I want to be in 2-3 years?”

Consider the scope of influence and responsibility you currently have and aspire to.

Assess your competency gaps

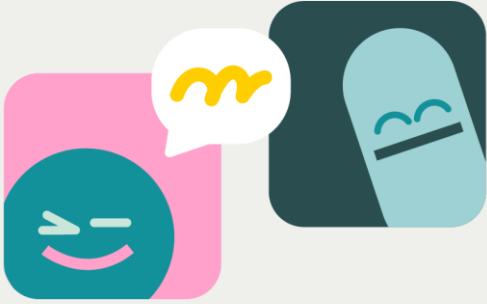

Compare your current skills against your level’s required competencies

Where do I struggle or avoid taking the lead?

Which competencies come naturally to me?

Create your development plan

Identify 1-2 priority areas and discuss them with your supervisor to co-create a targeted development plan.
