Dear Parents and Guardians

Sec 1 End-of-Year Examination

Greetings from Outram Secondary School!

Our Secondary 1 End-of-Year Examination will cover the full year's topics, as outlined in Annex A. This assessment serves as a key measure to help us track your child's progress and guide their learning moving forward.

Supporting Your Child

Your support and encouragement at home is vital for your child's confidence and motivation.

Please keep in mind that these examinations are merely snapshot indicators of learning, and do not define your child's potential or self-worth. We encourage you to celebrate their dedication, affirm their progress, and collaborate with us if they require additional support.

Thank you for your ongoing partnership.
